Traditions and Encounters invites students to explore the stories of the world in a way that inspires excitement and critical thinking. The map and art programs spur engagement and connection, while the regional and thematic coverage allows students to take deeper dives into particular places. All of this combined helps students comprehend the narratives and become active participants in the exploration of world history.

Traditions & Encounters: A Global Perspective on the Past

With its hallmark of twin themes, Traditions & Encounters continues to tell the story of the cultures and interactions that have shaped world history, while adding redesigned maps, new primary sources, and new chapter- and part-level features that strengthen connections and prompt students to analyse the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. Students are no longer simply reading; they are reading ...
