For daily prayer pointers and all the latest stories of God at work through Scripture Union, sign up to our free supporter magazine, Connecting You. Support us with a regular gift During these difficult times, our teams are hard at work developing new and innovative ways to share the good news of Jesus with children and young people.

Heavenly angels walk the earth today. Sometimes they assume human form--usually in answer to desperate prayer. These true stories from Guide Magazine--not an urban legend among them--will renew your faith. The angel of the Lord still encamps around those who fear Him.

Be punctual, hard-working and honest, but most importantly – be excellent. Written by residents, for interns and residents, the Junior Doctor Survival Guide is a thorough, focused summary of everything you need to know to get through your internship and residency (relatively) intact. It provides advice on seeking help from your senior clinicians, ensuring ethical practice and decision making, conducting an efficient ward round and carrying out emergency assessments and includes a concise overview of the salient features of specialist medical and surgical care in both in- and outpatient settings. Covering both clinical and professional contexts, this guide will support you to build your confidence in applying the principles you learned in medical school to the real world. Scenario boxes – how difficult conversations should be approached Common medications – quick reference tables of common medications and dosages Clinical abbreviations and acronyms – a comprehensive list of common abbreviations and acronyms used throughout clinical settings. Full eBook on ExpertConsult

The 13-week curriculum guide is designed to provide the teacher with Biblically sound principles that are relevant to the youth they instruct.
