This section also offers the foundation for additional courses or workshops on topics such as health and safety and managing a successful practice. The Reiki Manual can be used: as student preparation before a Reiki class; as a textbook during Reiki courses; as post-course reading, or for reviewing what has already been learned (it includes revision questions and revision activities); by Reiki practitioners to help them practice in the best, most professional way; and by Reiki Masters as a guide to devise and deliver a Reiki course. More extensive than any other Reiki book on the market, The Reiki Manual will be referred to by lay readers as well as devoted students for many years to come!
