Don't Let Go Praise for Keep Me Safe: "I couldn't help but put everything I was working on aside and read all 125 amazing pages of it. It's dark, gritty, disturbing, and amazingly fantastic!" - Day Dreaming "It's well written, and I was riveted from the very first line until the very end and read it in one sitting. There is plenty of heat along with mystery and suspense." - Romance in Review "Very hot. Just when I think I've got it figured out, the story takes an even darker and twisted path." - The Forbidden Bookshelf

"Dark, disturbing, haunting, and beautiful, Skye Warren will take you into the depths of depravity but bring you home, safe in the end." - Kitty Thomas, author of Comfort Food Mia longs for the daily torture to end, but one last task keeps her holding on. The Rev'd Natalie Cross, a high-profile priest at St Paul's Cathedral, is tipped to be one of the first female bishops in the Church of England. She could be happy. But she's not. Natalie's work among the desperately poor is intricately bound up with her wounded past. Her fierce humanity has already got her into trouble as a foreign aid worker among the refugees of Sudan and the Middle East. And when she is drawn into the world of peace-process politics, it seems it's not her faith she needs so much as a brutal self-reliance born of damage done long ago. In a godforsaken world of oppression and terror, where cynical intelligence agencies operate outside the rule of international law, she is forced to respond in kind to those who would so cruelly use and abuse her. The most dangerous people are

not always those holding the guns – and Natalie will need to abandon morality and tap into her own dark side to take them on.

New York Times bestselling author Karen Rose returns with a new thriller in her chilling Cincinnati series. Michael Rowland is not your typical teenager. Deaf from birth, he's always looked out for his five-year-old brother, Joshua. When his stepfather comes after Joshua, Michael takes the child and runs. He's determined to protect his brother at all costs, even if that means making himself vulnerable to a danger he can't hear coming. And the danger intensifies when Michael witnesses a stranger kill his stepfather. Desperate and afraid, the boys have nowhere else to go but to Joshua's soccer coach, journalist and ex-Army ranger Diesel Kennedy. When Diesel sees that Michael is injured, he takes them to see Dr. Dani Novak—not only because she's fluent in American Sign Language, but because he's drawn to her and everything she stands for. She never refuses Diesel's requests—because she, too, feels their connection—but she resists him for reasons she doesn't want to confess. When Dani and Diesel learn that Michael saw the face of his stepfather's killer, they fear for his safety. But they quickly discover that it's even worse than they feared: They may have a serial killer on their hands—and all signs point to Michael as the next target. To call this book a page-turner is an understatement." —USA Today on *Say You're Sorry* "Rose writes blistering, high-octane suspense that never lets up." —New York Times bestselling author Karen Robards
