Old secrets die hard in the Tavistock family... In *Their Footsteps* the quiet scandal surrounding her parents' deaths twenty years ago has always haunted Beryl Tavistock. Now she's decided that the only way to exorcise the ghosts of the past is to search for the truth. Beryl starts asking dangerous questions, and the answers are proving that old secrets die hard. Caught in what's become a deadly game of cat-and-mouse, her quest takes her from the rain-slick streets of Paris to the sun-drenched isles of Greece. And as she gets pulled into a world of espionage, Beryl quickly discovers that she needs help. Richard Wolf, an ex-CIA agent and a man she's only just met, is her only hope. But in a world where trust is a double-edged sword, friends become enemies, and enemies become killers... Stolen Reformed cat burglar Clea Rice has witnessed enough crimes to put her on the straight and narrow. But little does she suspect that her search for justice will land her in the arms of wealthy English gentleman Jordan Tavistock. As their attraction grows, so does the danger. Now their biggest concern isn't whether a proper gentleman and a cat burglar can find happiness...it's whether they'll

survive long enough to find out.

Marrying a stranger to save a ranch is one thing; losing the land on their wedding day is another. Desperate to keep the ranch where three of her children and a husband lie buried, Annie Gephart must marry or sell. Which of the few bachelors in town would consider a surprise proposal to wed a plain widow with a rebellious daughter, a spirited boy, and unpaid taxes—without laughing in her face? Jacob Hendrix has never fully let go of his ranching dreams despite ending up as a small Wyoming town's marshal. The job wouldn't be so bad, except he's more errand boy than lawman. When Annie proposes marriage without a single coquettish bat of an eyelash, can he commit himself to a woman he hardly knows for a choice piece of property he'd be an idiot to pass up? But taxes aren't all that threaten Annie and Jacob's plans. Cattle rustlers, crumbling friendships, and wayward children make this marriage of

convenience anything but. When they lose what they've sacrificed everything to save, will the love of a stranger be enough? *Romancing the Bride* is the first book in the Frontier Vows Series by award-winning Christian romance author Melissa Jagears. If you like heartwarming marriage of convenience stories, you'll love this sweet romance filled with endearing characters.

She planned everything for the wedding—except the falling in love part. . . . In a family of jet-setters and lovable eccentrics, Cydney Parrish is the stable, sensible one, always with her feet firmly planted on the ground. Maybe that's why she ended up raising her sister's daughter Bebe. Now Bebe is all grown up and about to marry the nephew of the handsome and reclusive author Angus Munroe. Between planning the wedding, dealing with her high maintenance kin, and facing a future with only a cat for company, Cydney has her hands full. But she isn't too busy to notice that aside from being pushy and generally infuriating, Gus Munroe may just be the man of her dreams. Angus Munroe is not about to let his only nephew throw his future away on some ditzy debutante. He flies into town determined to “speak now and never hold his peace”—but ends up instead with a broken nose, a slight limp, and his mountainside home invaded by the bride-to-be's family. He's pretty certain it is all the wedding planner's fault. Aunts aren't supposed to be

sexy, but someone obviously forgot to tell the irresistible Cydney Parrish. . . .

Cammie Parker is ready for a fresh start. Just because she didn't get her own happy ending, doesn't mean she's any less committed to helping other couples find theirs. And a new job with the event coordinator at a gorgeous mountain resort is the perfect way to do just that. It would be the perfect fresh start if not for her first assignment: helping her cheating jerk of an ex and his new fiancée plan their wedding. Cade Taylor needs to shake things up. There's nothing wrong with loving what you do, but when your job becomes your whole life, something's got to give. Cade knows he's in a rut, but he just can't seem to break out of it no matter what he does. When Cammie shows up in one of his equipment sheds looking like she needs a quick escape, Cade sees the perfect opportunity to put a little bit of excitement back in his life. What starts out as a way to avoid her ex soon turns into a crazy—and sexy—game of hide and seek. But you can only hide for so long, especially if you want a real shot at your own happy ever after.

He would do anything to protect her. Even marry her... The son of a cold-hearted duke, Nicholas St. Mauer isn't one to involve himself in society...or open his own heart to anyone. But driven by honor, the reclusive Earl of Somerton feels obliged to keep a

watchful eye on Lady Emma Cavensham. She possesses a penchant for passions unbecoming a woman that finds Nick in constant peril of losing his well-structured solitude. She even dared kiss Nick once—an utterly unladylike, and delightful, lapse... Emma can't deny the appeal of the earl's attention, and occasional affection, but she has no need for a man. There are worse fates than spinsterhood, as Emma knows too well. She still mourns the loss of her dear friend Lena, and is determined to prove Lena's husband responsible for her death before he lures another innocent woman into a brutal marriage. But as Emma pursues her prey, a compromising moment upends all her plans. Now, with gossip swirling and her reputation in tatters, Nick may be the only man brave enough to join in Emma's cause. . .and fight for her heart.
