Future economic growth lies in the value of experiences and transformations--good and services are no longer enough. We are on the threshold, say authors Pine and Gilmore, of the Experience Economy, a new economic era in which all businesses must orchestrate memorable events for their customers. The Experience Economy offers a creative, highly original, and yet eminently practical strategy for companies to script and stage the experiences that will transform the value of what they produce. From America Online to Walt Disney, the authors draw from a rich and varied mix of examples that showcase businesses in the midst of creating personal experiences for both consumers and businesses. The authors urge managers to look beyond traditional pricing factors like time and cost, and consider charging for the value of the transformation that an experience offers. Goods and services, say Pine and Gilmore, are no longer enough. Experiences and transformations are the basis for future economic growth, and The Experience Economy is the script from which managers can begin to direct their own transformations.

This is the book with which to gain a full and thorough understanding of the wonderful world of cruising. Repeat cruisers and novices alike will gain from the volume of features--menus, daily schedules, photos, as well as details on every cruise ship and port of call throughout the world. This should be the encyclopedia for any cruise aficionado. -World of Cruising People who've never cruised before-or those who have, but find themselves faced with a confusing onslaught of new ships-need to know a great deal, and this book goes a long way in providing it. -Chicago Tribune Stern's Guide to The Cruise Vacation is one of the most comprehensive authorities and a must have for both the novice and the seasoned cruiser. -Porthole Magazine Steven B. Stern is the ultimate authority on luxury travel, especially cruise vacations. Whether readers are sailing the Caribbean, the Mediterranean, the South Seas, Alaska, Southeast Asia, or the waterways of Europe, this is the most comprehensive guide available, with details on all aspects of cruise-ship travel. Updated annually, this edition lists descriptive information for all major cruise ships, including each vessel's history, vital statistics, appearance, itineraries, price range, and sport, dining, and medical facilities. Stern evaluates every detail by bestowing overall Star Awards as well as ratings in eleven specific categories. More than two hundred photographs of ships, decks, and interiors are included, along with actual shipboard menus and daily activity programs for each featured cruise line.

Peter C. Smith presents us here with the second release in his visually splendid Cruise Ships series. Whilst his first book concerned itself with the large-scale ships currently cruising through our seas (those weighing 40,000 GT and more) this volume focusses on the other end of the market; the ships that weigh in at less than 40,000 GT, but which are often much more stylish and aesthetically pleasing than their larger-scale counterparts. The elegant interiors and luxurious features on display in today's vast fleet of cruise liners remain unrecorded in all but holiday brochures. This book carries on in the tradition of Peter's last release, giving a complete overview of the best of these ships, the cream of the crop, so to speak.??Each colour profile includes external and interior views of the featured ship. Details of the design, building and service history of each vessel are provided with vital statistics of the ship and its facilities.??This is a book of reference for maritime enthusiasts, would-be holiday cruisers and those who have been passengers. It serves as an impressive visual tribute to the best of the smaller scale fleet currently cruising globally.??As seen in the Bedford Times & Citizen.

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.
