*Kicking Away The Ladder  
Development*  
Perspective Ha Joon Chang

So 'Kicking Away The ladder'  
is a very persuasively  
written book packed with  
useful insights. The  
historical data he employs  
reminds us that economic  
development has never relied  
on free markets or laissez-  
faire policies at least in  
the early years. Chang's  
policy suggestions are both  
wise and workable.
