I just bought an older Hobart Kitchenaid mixer. It's a bowl lift model K5SS but the beater is scraping the bottom of the bowl. This model does not have the little screw to adjust the beater height.

vintage Kitchenaid mixer question!! Help?

I am looking into purchasing an older KA stand mixer, and have read so much about it, but find I still have this question: How can I be sure that the KA I purchase is made by Hobart? Will it ...
