The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James,

exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.
