It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin—even if love wasn't in the cards just yet! Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.

In this new novel of erotic romance from the national bestselling author of "Laid Bare," two people discover in each other the wild, physical passion they both crave.

Gillian Forrester spent most of her life running from who and what she came from... until Miles came along. The moment she held the tiny newborn her older sister didn't want, Gillian stopped running and began to build a life for herself and her adopted son. Now, thirteen years later, as Gillian's sister lies dying, she reveals the father's identity and makes Gillian promise to find him. When Gillian finds herself attracted to Miles' biological father, Adrian Brown a sexy and successful rock star, she fears her secrets and Adrian's trust issues will keep them apart for good. Will they find the trust they need?

Beauty is more than skin-deep! Tattoo artist Raven Smith is blunt and hard, broken and jaded, dark and beautiful. While she doesn't hide her painful past, she does keep a wall around her heart. She's free sexually—but no one gets to the real Raven beneath the prickly exterior. With a voice like smoke, Jonah Warner is a smooth-talking, highly successful attorney, with a body that should never be hidden by a suit. He's the kind of man who never takes no for an answer and always gets what he wants. And what he wants is Raven. She's a survivor, and he finds that incredibly alluring. Jonah gets under her skin in a way Raven has never experienced. He makes her break all her rules—including her no-monogamy rule. But when a figure from Raven's past shows up at the tattoo parlor and drops a bomb into her life, their relationship will face the ultimate challenge! MATURE AUDIENCE

The lovers from Lauren Dane's emotionally-charged, deeply erotic (Sylvia Day) Laid Bare, are back and taking a vacation. All she needed to pack was a few bikinis, a toothbrush and some sunscreen. This is what Ben told Erin when he presented her and Todd with tickets to Fiji and the promise of ten days of nothing but sleeping until whenever they wanted, sex without having to lock the door and lots of alone time. And that's what they have. Long days and nights filled with pleasure. Long enough that the stress and exhaustion drops away and the three can simply enjoy each other. They've got heat. More than ever before. Recharging their batteries has also brought new levels of intimacy and connection. But when Erin stumbles over the pain of her past, both men band together to not only help her through, but to help each other as well.

After baker Juliet embarks on a passionate affair with a friend from childhood, lawyer Cal, who has loved Juliet for a long time, realizes that he must make a move or lose her forever, a situation that leads to intimacy for all three lovers.

From the #1 New York Times bestselling author—the first book in the reissued Three Sisters Island trilogy is a tale of friendship, fate, and the mysterious ways of the heart.

One of Goodreads' 43 Most Anticipated Reads of 2019 Beautiful. Intimate. Tearful. Aching and lyrical. So simply and beautifully told. Louise Penny, #1 New York Times bestselling author "I'm here to remember—all that I have been and all that I will never be again." If you had to pick five people to sum up your life, who would they be? If you were to raise a glass to each of them, what would you say? And what would you learn about yourself, when all is said? At the bar of a grand hotel in a small Irish town sits 84-year-old Maurice Hannigan. He's alone, as usual - though tonight is anything but. Pull up a stool and charge your glass, because Maurice is finally ready to tell his story. Over the course of this evening, he will raise five toasts to the five people who have meant the most to him. Through these stories - of unspoken joy and regret, a secret tragedy kept hidden, a fierce love that never found its voice - the life of one man will be powerful and poignantly laid bare. Beautifully heart-warming and powerfully felt, the voice of Maurice Hannigan will stay with you long after all is said and done.

A never-before-seen collection of deeply intimate love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter and reproduced in gorgeous full color. "If ever I do write anything of length--good or bad--it will be written with you in mind." Kurt Vonnegut's oldest daughter, Edith, was cleaning out her mother's attic when she stumbled upon a dusty box. Inside were more than two-hundred love letters written by Kurt to Jane, spanning the early years of their relationship- from 1941, when nineteen-year-old Kurt heads off to college, to his deployment to Europe in 1944 and the couple's marriage in 1945. The letters are full of the humor and wit that we have come to associate with Kurt Vonnegut. But they also show more private corners of his mind- Passionate and tender, the letters form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they expose the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him, and they had no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories, Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.
