Dragon Language is a language spoken by Dragons and Dragonlords. The language is based on ancient Greek. This choice was likely due to the fact that many early Greek myths involved huge, winged beasts that spit fire and were dangerous to humans, which is similar to how Dragons are portrayed in European folklore.

The Dragon language's script is similar in appearance to cuneiform, the written language of ancient Mesopotamia. The script of the Dragon language also bears resemblance to the script on the obelisk in Star Trek's 3rd-season episode entitled Paradise Syndrome. The word for thief, tafiir, resembles Taffer, a word that appears in the "Thief" series.

Dragon. Dragon, or Dragonspeak, is the language spoken by Pyrrhian dragons, and later by Pantalans as well. It was formally named in The Lost Continent . There is an old language as well, but the name of the old language is unknown. In The Lost Continent' s prologue, when Clearsight arrives, it is stated that the Pantalan dragons speak the old language, and only a few of them speak Dragon.
