them. The Skulls have enemies who want the town and their women. Lash must decide who to put first, the club or his woman. Is Angel strong enough to stand by his side when the going gets tough? And what will happen when tragedy and pain both hit at once?

The biggest mistake he's ever made could get him killed. The Skulls have a set of rules, and Nash has broken one of them. He's using drugs. Since Sophia rejected him, Nash has been spiraling out of control. When he puts Eva's life in danger it's up to Nash's brother Lash to save him from himself. Sophia never realized the protection The Skulls provided her until she was attacked. Lash saved her but with an ultimatum. She helps save his brother, or he makes it known she's not under Skull protection. Sophia's feelings for Nash have always been her weakness. As she keeps her word to his brother, trying to help Nash overcome his addiction, the two of them grow closer through his pain, and Sophia realizes she cannot run any longer. However, The Skulls' enemies are numerous, and Nash's careless behavior has exposed the whole club to danger. Someone is plotting against the club in the hope to take control of the town, and they're going to start with Nash. Can he stay strong as his life and that of his woman are endangered, or will he relapse into the drugs?

Tate Johnson is the daughter of the motorcycle club leader and has decided The Skulls has hurt her one too many times. Moving out of her home and cutting her ties from the only family she knows, she starts a life for herself, hoping to create new memories. Murphy abandoned Tate for the sake of the club, but now he's back, determined to win the love she once felt for him. But, Tate's not letting go without a fight. She's stubborn and refuses to listen to him. The Club is in lockdown when two local cops are killed. An attack is ordered on Tate, but no one knows the identity of the person intent on taking down The Skulls and controlling the town of Fort Wills. No one is safe as the club is compromised. Lives are lost, people are hurt, and some will never be the same again. Everything comes down to Murphy, and he has to make a choice. He can save his club ... or his woman. Which will he choose?

Tiny is the leader of The Skulls and the main protector of Fort Wills, but that wasn't always the case. He has a dark past, and it's about to come and bite him in the ass. Eva cannot stay with a man who'll keep her in the dark. She's the daughter of the man who runs the underground fighting circuit in Vegas, and there is iron in her that none of the Skulls suspects. Backing down from what she wants has never been in her nature, but Tiny is too far gone. There's no hope of holding him. When Tiny and his boys are attacked on a drug run, he has no choice but to head to the woman he loves. Tiny doesn't know which of his men are alive or dead. He only knows his past has finally caught up with him. But how can he go back home without his daughter's man? Lives will be tested, and lives will be lost. Tiny will be pushed to the breaking point, and he'll have to make a choice. Who can he save when all seems lost?

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Part One: Tabitha  
We were always supposed to end up together. I belonged to him, just as he was mine, despite our different MCs. There was only one true way it would end for us, together, like we always promised. We were so wrong, so naïve, too young to realize what we might face. I never wanted to live without him, but after one stupid mistake, it looks like I'll have to get used to being alone.  
Simon  
The only person I've ever wanted, the one who owned my heart is Tabby. All my life, I knew she'd be my woman, on the back of my bike where she rightfully belongs. It didn't matter that she was a Skull, but I'm possessive, and I fucked up. I should have known what was coming and protected her, but the club got in the way. Now I've got to pay the price. When the time is right, I'll come back for her and claim her. We were supposed to be together through thick and thin, along with all the bad times and good. The bad times are now, so as long as we wait, it should be good again. We hope.
