Customized for the Salem Volcanoes(Minor League Team in Salem Oregon)This book gets rid of all the myths and misunderstandings of the baseball swing. For the first time in 120 years of baseball, we now fully understand the swing from a precise analytical perspective - - and here it is!There are two books: Book 1 (this book) is the stand-alone manual written specifically (in baseball language) for fans, ballplayers, and coaches of all levels, including Little League coaches and their dads. It carefully walks you through the swing telling you what is happening, how, and why. It's unlike anything you have ever seen in the baseball literature. You'll be amazed. For FANS, certain chapters are written specifically for you, so you (1) know what to watch for during a game; (2) how to classify batters into different styles; and (3) the final chapter describes the styles of different Home Run Kings from Babe Ruth to Barry Bonds. You'll learn lots and enjoy the game that much more.Book 2 is Technical Supplements, which are referenced in Book 1, with lots of graphs and tables - - based on our computer model which exactly matches the swing. Book 2 is for coaches, trainers, weight trainers, as well as teachers and students of the swing. Perfect for a college course!

Written by an expert dog whisperer and dog owner, the Hovawart Complete Owner's Manual has the answers you may need when researching this medium to large-sized working dog. Learn about this outstanding guardian and watchdog and find out whether or not the ancient German bred Hovie will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Hovawart's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Hovawart, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.
