Hard Truths are factual unpleasanties that most people do not admit. In Hard Truths, Lee Kuan Yew candidly gives his harsh opinions that may be politically incorrect on several controversial issues regarding Singapore's governance in sixteen face-to-face interview sessions with seven Straits Times journalists.

The Singapore Story is the first volume of the memoirs of Lee Kuan Yew, the man who planted the island state of Singapore firmly on the map of the world. It was first published in 1999. In intimate detail, Lee recounts the battles against colonialists, communists and communalists that led to

# Access Free Lee Kuan Yew Hard Truths To Keep

Singapore's independence. With consummate political skill, he countered adversaries, sometimes enlisting their help, at others opposing them, in the single-minded pursuit of Singapore's interests. We read how he led striking unionists against the colonial government, how over tea and golf he fostered ties with key players in Britain and Malaya, of secret midnight meetings in badly lit rooms, drinking warm Anchor beer with a communist underground leader, of his purposeful forging of an alliance with communists to gain the support of the Chinese-educated masses. Readers will find inspiration in his tenacity as he fought for the people's hearts and minds against first the communists and later the communalists — in parliament, on the streets and through the media. Drawing on unpublished Cabinet papers, archives in Singapore, Britain, Australia, New

# Access Free Lee Kuan Yew Hard Truths To Keep

Singapore and the United States, as well as personal correspondence, he gives us a vivid picture of how others viewed him: determined (‘‘Lee will bluff, bully and blackmail up to the eleventh hour’’), motivated (‘‘Choo knew I sweated blood to master Hokkien’’), ambitious (‘‘He would think himself as legitimate as I was to be the leader of Malaya’’), dangerous (‘‘Crush Lee! Put him inside’’). It is a sometimes controversial yet strangely consistent portrait of this Asian statesman. These experiences and his dealings with the political leaders were to shape his views and policies, which have had a major impact on Singapore and the region.

Singapore is changing. The consensus that the PAP government has constructed and maintained over five decades is fraying.

# Access Free Lee Kuan Yew Hard Truths To Keep

The assumptions that underpin

Singaporean exceptionalism are no longer accepted as easily and readily as before.

Among these are the ideas that the country is uniquely vulnerable, that this vulnerability limits its policy and political options, that good governance demands a degree of political consensus that ordinary democratic arrangements cannot produce, and that the country's success requires a competitive meritocracy accompanied by relatively little income or wealth redistribution. But the policy and political conundrums that Singapore faces today are complex and defy easy answers.

Confronted with a political landscape that is likely to become more contested, how should the government respond? What reforms should it pursue? This collection of essays suggests that a far-reaching and radical rethinking of the country's policies and institutions is necessary, even if it

# Access Free Lee Kuan Yew Hard Truths To Keep

Singapore Going Harder  
weakens the very consensus that enabled  
Singapore to succeed in its first fifty years.

Lee Kuan Yew passed away on 23 March 2015 at the age of 92. This book, which was first published in 1998, tells the story of his life from when the Japanese occupied Singapore in 1941 until 1998 when he was Senior Minister. Based on 13 exclusive interviews held over 30 hours, this book chronicles the events, people and political fortunes that were to shape Lee's view of the world, as well as the path he set for the transformation of Singapore. It delves into the choices he made, the political turnings he took, the insights gained and lessons learnt, some of which were expounded to the authors for the first time, with wit, wisdom, candour and vivid recollection. Written by three leading journalists from The Straits Times.

# Access Free Lee Kuan Yew Hard Truths To Keep

Grand strategist and founder of modern Singapore offers key insights and controversial opinions on globalization, geopolitics, economic growth, and democracy. When Lee Kuan Yew speaks, presidents, prime ministers, diplomats, and CEOs listen. Lee, the founding father of modern Singapore and its prime minister from 1959 to 1990, has honed his wisdom during more than fifty years on the world stage. Almost single-handedly responsible for transforming Singapore into a Western-style economic success, he offers a unique perspective on the geopolitics of East and West. American presidents from Richard Nixon to Barack Obama have welcomed him to the White House; British prime ministers from Margaret Thatcher to Tony Blair have recognized his wisdom; and business leaders from Rupert Murdoch to Rex Tillerson, CEO of Exxon Mobil, have praised his accomplishments. This book

# Access Free Lee Kuan Yew Hard Truths To Keep

Singapore Going Hardcover gathers key insights from interviews, speeches, and Lee's voluminous published writings and presents them in an engaging question and answer format. Lee offers his assessment of China's future, asserting, among other things, that "China will want to share this century as co-equals with the U.S." He affirms the United States' position as the world's sole superpower but expresses dismay at the vagaries of its political system. He offers strategic advice for dealing with China and goes on to discuss India's future, Islamic terrorism, economic growth, geopolitics and globalization, and democracy. Lee does not pull his punches, offering his unvarnished opinions on multiculturalism, the welfare state, education, and the free market. This little book belongs on the reading list of every world leader--including the one who takes the oath of office on January 20, 2013.

# Access Free Lee Kuan Yew Hard Truths To Keep Singapore Going Hardcover

Lee Kuan Yew: The Critical Years (1971-78) is a facsimile edition of Alex Josey's second masterful account of Singapore's formidable prime minister, first published in 1980 and simply titled Lee Kuan Yew Vol 2. In this volume, Josey tells the continuing story of Singapore's remarkable development from the beginning of 1971 to the end of 1978. Read about Lee's fears, hopes, triumphs and failures, his analytical judgements, his look into the future, his valuations and beliefs, his unswerving faith in the ability of the average Singaporean to understand what his prime minister is talking about, and his supreme confidence that Singapore will survive as an independent, if interdependent, sovereign state, and be successful.

Political genius is never without

# Access Free Lee Kuan Yew Hard Truths To Keep

controversy, or without mystery. This is what makes it so interesting and so rare. Is Lee Kuan Yew the feral, authoritarian figure that Western critics claim? Or a stoic pioneer in new approaches to developing a nation—uncorrupt, modern, almost scientific? American journalist Tom Plate first interviewed the founder of modern Singapore in 1996 in a continuing back-and-forth with LKY that led to the summer of 2009, when the former prime minister agreed to sit down for two days of unprecedentedly informal but intense conversations that led to this special book. This new edition includes fascinating excerpts from prior interviews, as well as the author's assessment of the man who goes down in history as the world's longest-serving prime minister—and as one of the most unforgettable political figures of modern times. "You have done a superb job of capturing the many facets of this

extraordinary man. Dr Henry A. Kissinger on Conversations with Lee Kuan Yew

Up Close with Lee Kuan Yew gathers some of the vivid memories of 37 people who have worked or interacted closely with Lee Kuan Yew in some way or other, from when he was at Raffles College in 1941 right up to his demise in 2015. Among these are his 13 Principal Private Secretaries and Special Assistants, and Mdm Yeong Yoon Ying, his Press Secretary of over 20 years. The others include former President S.R. Nathan, Puan Noor Aishah who is the widow of President Yusof Ishak, former Chief Justice Yong Pung How, and friends such as Robert Kuok from his Raffles College days. This book captures an unvarnished look at what it was like to interact with the serious and no nonsense Mr Lee, both at
