The Legend Series • Jude Deveraux

I am a huge fan of Jude Deveraux. I love her dialogue, her witty characters, and the situations those characters get into. However, "Legend" was a little off beat for me. Time travel is always a little difficult for a writer I think, since there are so many outcomes you have to consider, and the chance that it may confuse the reader.

First of all the positives - good writing, well rounded characters as one comes to expect from Jude Deveraux. The time travel adds a great twist and is enjoyable, however for me the negatives were there were too many men who Kady might / might not love, too much going back and forth to Legend, and sadly after the midway point I couldnt wait to get to the end.

**NEW YORK TIMES BESTSELLER** Jude Deveraux, the bestselling author of unforgettable romance, returns with a breathtaking first book in a fantastic new series—the Nantucket Brides trilogy. Set on the magical Massachusetts island, True Love introduces characters from a new generation of Montgomery-Taggerts, the beloved family from Deveraux's classic novels. Just as Alix Madsen is finishing up architectural school, Adelaide Kingsley dies and wills her, for one year, the use of a charming nineteenth-century Nantucket house. The elderly woman's relationship to the Madsen family is a mystery to the spirited Alix—fresh from a romantic breakup—but for reasons of her own Alix accepts the quirky bequest, in part because it gives her time to plan her best friend's storybook wedding. But unseen forces move behind the scenes, creaking Kingsley House's ancient floorboards. It seems that Adelaide Kingsley had a rather specific task for Alix: to solve the strange disappearance of one of the Kingsley women, Valentina, more than two hundred years ago. If that wasn't troubling enough, Alix must deal with the arrogant (and extremely good-looking) architect Jared Montgomery, who is living in the property's guesthouse. Unbeknown to Alix, Jared has been charged with looking after her while she lives on the island—an easy task for him, considering the undeniable chemistry between the two. But Jared harbors secrets of his own, which, if revealed, may drive a wedge between the pair. With a glorious Nantucket wedding on the horizon, sparks fly, and the ghosts of the past begin to reveal themselves—some of them literally. Finding their lives inextricably entwined with the turbulent fortunes of their ancestors, Alix and Jared discover that only by righting the wrongs of the past can they hope to be together. Praise for True Love " Jude Deveraux's Nantucket Brides series will sweep you away. A beautiful island, a sexy man, and plenty of secrets—this is a wonderful writer at her best. " —Susan Mallery " A new Jude Deveraux novel means a very late night turning the pages straight through to the delicious end. " —Susan Elizabeth Phillips " True Love, with its star-crossed lovers and twisty plot, evokes everything that makes Nantucket so special—the history, the atmosphere, the secrets, and the magic. " —Susan Wiggs " Destined to be an instant romance classic . . . [It] will haunt you long after you read it. " —Pittsburgh Post-Gazette " Deveraux is at her spellbinding romantic finest. " —Booklist " A novel about star-crossed love, life, death and reincarnation . . . a romantic story of love so deep it survives centuries. " —Kirkus Reviews From the Hardcover edition.

At age twelve, Cassandra Madden fell in love with Jefferson Ames, a young man she met at one of her mother's business conferences. Over the years, during periods of loneliness and struggle, Cassandra held on to this unrequited love in order to cope with her isolated heart and the pain of a cold mother. Even when Cassandra grew up, went off to college, and met a man she thought she'd marry, her heart yearned for Jeff. In a decisive moment, she breaks off her pending engagement and travels to Williamsburg, Virginia, where the now-widowed Jeff lives with his young daughter. Cassandra becomes the child's nanny but, even though she sees the object of her desire every day, Jeff has yet to even notice her. Then, one day, she hears shots coming from the mansion of Althea Fairmont, an eccentric woman who is thought of as the world's greatest living actress. Cassie runs to investigate and, in an instant, her safe little life is turned upside down. She begins to learn that all the people around her aren't who they claim to be. Everyone has secrets - and until Cassie unravels those secrets, she and Jeff will never have a chance to be happy together.
