Let Him Go is a 2020 American neo-Western drama film produced, written and directed by Thomas Bezucha, based on the 2013 novel of the same name by Larry Watson. It stars Kevin Costner and Diane Lane as a retired sheriff and his wife who set out to find their only grandchild after their son dies. Lesley Manville also stars as the antagonist. The film was theatrically released in the United States on November 6, 2020, by Focus Features, and received generally positive reviews from critics.

[Let Him Go - Wikipedia](#)

That is the case with Larry Watson's, Let Him Go: A Novel. Written in language rich, poetic and spare like the land it takes place in, it is a story that will leave you wanting to read whatever else this author has written. The year is 1951. Margaret and George Blackledge have lost their son in a horse accident.

Let Him Go by Larry Watson - Goodreads

Praise for Larry Watson's Let Him Go "If there were ever any question about Larry Watson's reputation as one of the finest writers working today, there shouldn't be anymore. Not after Let Him Go, Watson's ninth book of fiction, and his best . . . I don't think I've ever read a book that deals so convincingly with the staying power of memory, or of the power of familial love."

Let Him Go Is An Emotional Rollercoaster | Cultured Vultures

The film adaption of LET HIM GO by Larry Watson came in at #1 in the U.S Box Office for its opening weekend. The Guardian gave the film five stars, and The Wrap and New York Times called it “ breathlessly intense ” and a “ searing thriller ” respectively. Milkweed Editions published the book September 3, 2013.

LET HIM GO by Larry Watson | News | Janklow & Nesbit

When Margaret tries to convince Lorna to return home to North Dakota and bring little Jimmy with her, the Blackledges find themselves entangled with the entire Weboy clan, who are determined not to give up the boy without a fight. From the author who brought us Montana 1948, Let Him Go is pitch-perfect, gutsy, and unwavering. Larry Watson is at his storytelling finest in this unforgettable return to the American West.

Larry Watson - Let Him Go

Let Him Go. It ' s rare these days to find a novel about two people in love in which their love story is not the main story. Larry Watson ' s latest, Let Him Go, is not about its two main characters falling in love, or falling out of love; it ' s set in the happily ever after, but it isn ' t about that, either. George and Margaret Blackledge are about 40 years into a solid marriage.

Larry Watson (writer) - Wikipedia

LARRY WATSON'S UNFORGETTABLE RETURN TO THE AMERICAN WEST "In Let Him Go, Larry Watson evokes the deepest kind of suspense: that based upon the fact that humans are unpredictable and perhaps ultimately unknowable--even to their most intimate associates. This fierce, tense book is beautifully written, with spare and economical prose out of which blooms a vivid and uncompromising portrait of the modern West.

A retired sheriff and his wife go after their young grandson in “ a fast-paced story of marital love, family violence and small-town justice ” (Pioneer Press). It ’ s been years since George and Margaret Blackledge lost their son James, and months since his widow, Lorna, took off with their only grandson and married Donnie Weboy. Margaret is resolved to find and retrieve the boy—while George is none too eager to stir up trouble. Soon, the Blackledges find themselves entangled with the entire Weboy clan, who are determined not to give up the boy without a fight. The author of *Montana 1948* returns to big sky country in midcentury America with a riveting novel pervaded with a sense of menace that “ traces the desperate lengths families will go to in order to protect their own ” (Publishers Weekly, starred review).

“ Watson evokes the deepest kind of suspense: that based upon the fact that humans are unpredictable and perhaps ultimately unknowable—even to their most intimate associates. This fierce, tense book is beautifully written, with spare and economical prose . . . A brilliant achievement. ” —Alice LaPlante, *New York Times*–bestselling author of *Turn of Mind* “ An outstanding work that is sure to expand Watson ’ s audience of devoted readers. Not to be missed. ” —Library Journal (starred review)

Before the world knew Kerouac, Ginsberg, and Cassady, this “ brilliant and important ” novel chronicled the author ’ s early years among the Beats (Los Angeles Free Press). Published five years before *On the Road*, this candid and perceptive roman à clef chronicles the adventures of Jack Kerouac, Allen Ginsberg, and Neal Cassady before they became literary icons. In dive bars and all-night diners, cabs racing across Manhattan and squalid apartments sticky with “ tea ” smoke, these would-be artists pursue the ecstatic experiences that shape their work and satisfy their restless desire to live beyond the limits of convention. At the heart of *Go* is Paul Hobbes, the alter ego of John Clellon Holmes. An aspiring novelist who shares the same creative interests as his friends, Paul frequently participates in their reckless, self-indulgent behavior. Yet his innate solemnness makes him an outsider, as does his commitment to his marriage. As Paul seeks to strike the right balance between experimentation and orthodoxy, freedom and obligation, he casts a discerning eye on his peers. The result is a thrilling and indispensable portrait of the Beat movement before it took America by storm.

The tragic tale of a Montana family ripped apart by scandal and murder: “ a significant and elegant addition to the fiction of the American West ” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David ’ s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family ’ s solid foundation was suddenly shattered by a bombshell revelation. The Hayden ’ s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

In the wake of a third student's murder, reticent Wanekia High School teacher Peter begins keeping a disturbing journal of the community's actions and his own that makes him realize his personal ambivalence toward violence. Reprint.

"Characters so real they could walk off the page, virtuoso writing and up-all-night drama."— People From acclaimed novelist Larry Watson, a multigenerational story of the West told through the history of one woman trying to navigate life on her own terms. Edie—smart, self assured, beautiful—always worked hard. She worked as a teller at a bank, she worked to save her first marriage, and later, she worked to raise her daughter even as her second marriage came apart. Really, Edie just wanted a good life, but everywhere she turned, her looks defined her. Two brothers fought over her. Her second husband became possessive and jealous. Her daughter resented her. And now, as a grandmother, Edie finds herself harassed by a younger man. It ' s been a lifetime of proving that she is allowed to exist in her own sphere. The Lives of Edie Pritchard tells the story of one woman just trying to be herself, even as multiple men attempt to categorize and own her. Triumphant, engaging, and perceptive, Watson ' s novel examines a woman both aware of her power and constrained by it, and probes the way perceptions of someone in a small town can shape a life through the decades.

The author of Montana 1948 explores the early years of a powerful Western family in these “ beautifully written ” linked stories (USA Today). Larry Watson ' s bestselling novel Montana 1948 was acclaimed as a “ work of art, ” a prize-winning evocation of a time, a place, and a family (San Francisco Chronicle). Justice is the stunning prequel that illuminates the Hayden clan ' s early years, and the circumstances that led to the events of Montana 1948. With the precision of a master storyteller, Watson moves seamlessly through the decades and among the strong and hard-bitten characters that make up the Hayden family, and in the process opens an evocative window on the very heart of the American West. “ An engrossing story of love, familial relationships, and secrets . . . re-creates the vivid beauty of Big Sky country. ” —Booklist “ Filled with rugged prose sometimes as biting as a northern plains wind. ” —The Washington Post “ Surprises and scenes of dramatic power punctuate the narrative . . . Throughout, Watson writes with ruthless honesty about his characters ' stunted dreams, unpredictable emotions and outbursts of senseless violence, showing once again that he understands not only the West but the untamed hearts that have roamed it. ” —Publishers Weekly (starred review)

In an extraordinary tale of love and forgiveness, Mark Spragg brings us this novel of a complex, prodigal homecoming. Jean Gilkyson has a history of choosing the wrong men. After yet another night of argument turned to violence with her boyfriend, Roy, Jean knows it's time to leave—if not for herself, then for her ten-year-old daughter, Griff. But the only place they can afford to go is Ishawooa, Wyoming, where Jean's family is dead and her deceased husband's father Einar wishes Jean was too. Of course, Griff knows none of this—only that here in Wyoming, with a grandfather she has never known and his crippled friend Mitch, she may finally be able to find a home.

The ordinary interactions and everyday routines of the Watsons, an African American family living in Flint, Michigan, are drastically changed after they go to visit Grandma in Alabama in the summer of 1963.

From Judd Apatow comes an intimate portrait of his mentor, the legendary stand-up comic and star of The Larry Sanders Show, with never-before-seen journal entries and photos, as well as new contributions by fellow comedians and writers. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK Garry Shandling was a singular trailblazer in the comedy world. His two hit shows, It ' s Garry Shandling ' s

Read Online Let Him Go Larry Watson

Show and The Larry Sanders Show, broke new ground and influenced future sitcoms like 30 Rock and Curb Your Enthusiasm, and his stand-up laid the foundation for a whole new generation of comics. There ' s no one better to tell Shandling ' s story than Judd Apatow—Shandling gave Apatow one of his first jobs and remained his mentor for the rest of his life—and the book expands on Apatow ' s Emmy Award-winning HBO documentary, The Zen Diaries of Garry Shandling. Here, Apatow has gathered journal entries, photographs, and essays for a close-up look at the artist who turned his gaze back onto the world of show business. Beyond his success, though, Shandling struggled with fame, the industry of art, and the childhood loss of his brother, which forever affected his personal and professional lives. His diaries show Shandling to be self-aware and insightful, revealing a deep philosophical and spiritual side. Contributions by comedians and other leading lights of the industry, as well as people who grew up with Shandling, along with never-before-seen pieces of scripts and brilliant jokes that he never performed, shed new light on every facet of his life and work. This book is the final word on the lasting impact of the great Garry Shandling.

On an icy day in January 1961, in Bismarck, North Dakota, a sixteen-year-old boy walks home from high school with his best friend, Gene. The sudden sound of sirens startles and excites them, but they don ' t have long to wonder what the sound could mean. Soon after seeing police cars parked on their street, the boys learn the shocking truth: hours before, Gene ' s father, Raymond Stoddard, walked calmly and purposefully into the state capitol and shot to death a charismatic state senator. Raymond then drove home and hanged himself in his garage. The horrific murder and suicide leave the community reeling. Speculation about Raymond ' s motives run rampant. Political scandal, workplace corruption, financial ruin, adultery, and jealousy are all cited as possible catalysts. But in the end, the truth behind the day ' s events died with those two men. And for Gene and his friend, the tragedy is a turning point, both in their lives and in their friendship. Nearly forty years later, Gene ' s friend, a writer, revisits the tragedy and tries to unravel the mystery behind one man ' s inexplicable actions. Through his own recollections and his fiction—sometimes impossible to separate—he attempts to make sense of a senseless act and, in the process, to examine his youth, his friendship with Gene, and the love they both had for a beautiful girl named Marie. Spare, haunting, lyrical, Sundown, Yellow Moon is a piercing study of love and betrayal, grief and desire, youth and remembrance. Using a brilliant, evocative fiction-within-fiction structure, Larry Watson not only brings to life a distinct period in history but, most affectingly, reveals the interplay of memory, secrets, and the passage of time.
