Leviathan: Summary | SparkNotes

Bellum omnium contra omnes, a Latin phrase meaning "the war of all against all", is the description that Thomas Hobbes gives to human existence in the state-of-nature thought experiment that he conducts in *De Cive* (1642) and *Leviathan* (1651). The common modern English usage is a war of "each against all" where war is rare and terms such as "competition" or "struggle" are more common.
