Write scenes of your life that you want to include in your story on different sheets of paper or index cards. This is one place I recommend using the old-fashioned way of writing by using pen and paper. Since all of your scenes are written out separately, you can later rearrange them into an order that that is appropriate for your book. 4.

**Write the Story of Your Life | FreelanceWriting**

If you read novels or short stories you will be familiar with the elements you need in a piece of fiction to make the reader care what happens next. It is the same with life story. You need to keep the reader interested. Think about what keeps a reader page-turning in a novel and add that to your life stories.

**How to Write Your Life Story - Summertime Publishing**

Writing your life story can seem like a daunting task, especially if you have never told it start to finish before. You may decide to write your life story down on paper to then share with others. Or you may share your story out loud in a performance or a play. Writing your life story effectively takes research, focus, and plotting.
