Teachers often assume students know how to do

# Where To Download

research. However, most students lack important information literacy skills and often need guidance in order to be successful researchers.

Sometimes the research projects students are assigned are not well devised or planned, and teachers often

# Where To Download

underestimate the amount of time or effort necessary to complete a project.

These difficulties soon become compounded because students often have poor organizational and time management skills, which are essential in producing good research projects. The desire to
