Society columnist Nora Blackbird is thrust into the world of celebrity tabloid gossip when a billionaire buys the farm... Nora’s assigned to write a profile on billionaire fashion designer Swain Starr, who recently retired to build a high-tech organic farm with his new wife, Zephyr, a former supermodel. But before Nora can get the story, the mogul is murdered. And now her boss wants her to snap up an exclusive on who killed Starr before the cops do. But solving this murder won’t be easy with a family as colorful as Nora’s. Mick, her sort-of husband, is associating with unsavory characters from his past. Her sister Libby is transforming into a stage mom for her diabolical twins. And Emma, the youngest Blackbird, is mysteriously kicked out of the house by Mick. Nora’s home life may be hogging the spotlight, but there’s also a matter of Starr’s missing pig, which just might be the key to solving this mystery and the way Nora can bring home the bacon...

The Instant #1 New York Times and USA Today Bestseller Three bodies in a beautiful and luxurious bedroom. Billy Harney was born to be a cop. The son of Chicago’s chief of detectives, whose twin sister is also on the force, Billy plays it by the book. Alongside Detective Kate Fenton, Billy’s tempestuous, adrenaline-junkie partner, there’s nothing he wouldn’t sacrifice for his job. Enter Amy Lentini, a hard-charging assistant state’s attorney hell-bent on making a name for herself—who suspects Billy isn’t the cop he claims to be. They’re about to be linked by more than their careers. One missing black book. A horrifying murder leads investigators to an unexpected address—an exclusive brothel that caters to Chicago’s most powerful citizens. There’s plenty of incriminating evidence on the scene—but what matters most is what’s missing: the madam’s black book. Now shock waves are rippling through the city’s elite, and everyone’s desperate to find it. Chicago has never been more dangerous. As everyone who’s anyone in Chicago scrambles to get their hands on the elusive black book, no one’s motives can be trusted. An ingenious, inventive thriller about power, corruption, and the power of secrets to scandalize a city—and possibly destroy a family—The Black Book is James Patterson at his page-turning best.

She’s opened a stylish new consignment shop—and the clothes are to die for . . . Manhattan fashionista Kelly Quinn thought she’d left her Long Island town far behind . . . until the Seventh Avenue expat returns home to revamp her grandmother’s consignment shop into an upscale boutique—and unwittingly sets a trend for murder . . . After her rising career as a Manhattan buyer is derailed, Kelly has mixed feelings about relocating back to Lucky Cove, in spite of her big plans for the soon-to-be-renamed Curated by Kelly Resale Boutique. What’s left of her luck starts running out when a customer puts on a black lace dress that triggers visions of someone being murdered. As if the haunted “Murder Dress” isn’t enough to kill business, the psychic’s doppelganger cousin has just been found bludgeoned to death. Was Maxine LeMoyné the real target or was it a case of mistaken murder? With some creepy pre-Halloween bargain hunters walking the night and Kelly suddenly a person of interest, a second murder rocks the close-knit town. Now Kelly could be the one who ends up talking to dead people when she’s stalked by a killer determined to take her out in high style . . .

The New York Times Book Review said of The Yard, “If Charles Dickens isn’t somewhere clapping his hands,Wilkie Collins surely is.” Now Alex Grecian returns with his new novel of Scotland Yard’s Murder Squad—and it’s a gripper. The British Midlands. Inhabitants call it the “Black Country”—and with good reason. Bad things happen there. When three members of a prominent family disappear from the Midlands—and a human eyeball is discovered in a bird’s nest—Scotland Yard’s Murder Squad is called in. But Inspector Walter Day and Sergeant Nevil Hammersmith have stepped into something much more bizarre and complicated than expected. Superstitions abound in the intertwined histories of the villagers, including a local legend about a monster some claim to have seen. In addition, a mysterious epidemic is killing off the inhabitants, and the village itself is sinking into the coal mines below. Day and Hammersmith soon realize that they, too, are in over their heads. And the more they investigate, the more they fear that they may never be allowed to leave.

The Complete Black Book of Russian Jewryis a collection of eyewitness testimonies, letters, diaries, affidavits, and other documents on the activities of the Nazis against Jews in the camps, ghettos, and towns of Eastern Europe. Arguably, the only apt comparison is to The Gulag Archipelago of Alexander Solzhenitsyn. This definitive edition of The Black Book, including for the first time materials omitted from previous editions, is a major addition to the literature on the Holocaust. It will be of particular interest to students, teachers, and scholars of the Holocaust and those interested in the history of Europe. By the end of 1942, 1.4 million Jews had been killed by the Einsatzgruppen that followed the German army eastward; by the end of the war, nearly two million had been murdered in Russia and Eastern Europe. Of the six million Jews who perished in the Holocaust, about one-third fell in the territories of the USSR. The single most important text documenting that slaughter is The Black Book, compiled by two renowned Russian authors Ilya Ehrenburg and Vasily Grossman. Until now, The Black Book was only available in English in truncated editions. Because of its profound significance, this new and definitive English translation of the Complete Black Book of Russian Jewry is a major literary and intellectual event. From the time of the outbreak of the war, Ehrenburg and Grossman collected the eyewitness testimonies that went into The Black Book. As early as 1943 they were planning its publication; the first edition appeared in 1944. During the years immediately after the war, Grossman assisted Ehrenburg in compiling additional materials for a second edition, which appeared in 1946 (in English as well as Russian). Since the fall of the Soviet regime, Irina Ehrenburg, the daughter of Ilya Ehrenburg, has recovered the lost portions of the manuscript sent to Yad Vashem. The texts recove

Parisian P.T. Aimée Leduc is attacked and blinded during an investigation. Can she solve her case without her sight—and when her own life is in danger? Parisian private investigator Aimée Leduc is all dressed up in her new Chinese silk jacket, supposedly a designer’s “exclusive,” for dinner with a difficult client at an elegant restaurant in the Bastille district. She is chagrined to see that the woman seated at the very next table is wearing an identical jacket. When the woman leaves her cell phone on the table, Aimée follows her to return it and is attacked in the shadowy Passage Boule Blanche. When she regains consciousness, Aimée finds that she is blind. Nevertheless, she is told she is lucky; the woman she was following was found in the next passage, murdered. Aimée is determined to identify her attacker. Was he actually a serial killer targeting showy blondes, as the police insist? Was he really after the other woman? Or was Aimée his intended victim?

Who is killing the crime writers of London? Find out in this “consistently entertaining crime debut from sci-fi veteran Brown” (Kirkus Reviews). London, 1955. When crime writer Donald Langham’s literary agent asks for his help in sorting out “a delicate matter,” little does Langham realize what he’s getting himself into. For a nasty case of blackmail leads inexorably to murder as London’s literary establishment is rocked by a series of increasingly bizarre deaths. With three members of the London Crime Writers’ Association coming to sudden and violent ends, what at first appeared to be a series of suicides looks suspiciously like murder—and there seems to be something horribly familiar about the various methods of dispatch. With the help of his literary agent’s assistant, the delectable Maria Dupre, Langham finds himself drawing on the skills of his fictional detective hero as he hunts a ruthless and fiendishly clever killer—a killer with old scores to settle. “A well-paced first mystery. Readers will hope a sequel is in the works.” —Publishers Weekly

Detective Billy Harney’s reputation as a dirty cop may be the only thing keeping Chicago clean in James Patterson’s most critically-acclaimed thriller since The Black Book. For Detective Billy Harney, getting shot in the head, stalked by a state’s attorney, and accused of murder by his fellow cops is a normal week on the job. So when a drive-by shooting on the Chicago’s west side turns political, he leads the way to a quick solve. But Harney’s instincts—his father was once chief of detectives and his twin sister, Fatti, is also on the force—run deep. As a population hungry for justice threatens to riot, he realizes that the three known victims are hardly the only casualties. When Harney starts asking questions about who’s to blame, the easy answers prove to be the wrong ones. On the flip side, the less he seems to know, the longer he can keep his clandestine investigation going . . . until Harney’s quest to expose the evil that’s rotting the city from the inside out takes him to the one place he vowed never to return: his own troubled past.
