Hemisphere in ten years, as she plays, naps, climbs, and frolics.

Illustrates activities pandas enjoy, including snuggling with their mothers, climbing trees, and eating bamboo, in a book in the shape of a panda. On board pages.

Mommies do so much for us! It's time to thank God for the blessing they are. In this adorable board book, a little panda thanks God for his wonderful mommy—a mommy who gives hugs and cuddles, who takes great care of him, and most importantly, who offers love and guidance for her precious panda cub. Thank You, God, for Mommy, And lullabies so sweet— The beating of her great, big heart Sings me right to sleep. The love and sacrifices of mothers everywhere will be celebrated by mother and child as they snuggle up together and say Thank You, God, for Mommy. Meets national education standards.

Illustrations and rhyming text present ten different endangered animals.

Perfect for bedtime or naptime, this simple story about a picky eater will soothe your little one to sleep Little Panda won't eat her dinner. It's much too munchy and crunchy! But when the other animals offer to share their food with her, she starts to think that perhaps bamboo isn't so bad after all . . . Featuring a unique blend of photos and illustrations, this adorable book is perfect for bedtime or naptime and is sure to give your little one sweet dreams.

class. Meet sixteen young giant panda cubs at the China Conservation and Research Center for the Giant Panda at the Wolong Nature Preserve. The cubs are raised together from infancy in a protected setting, where they grow strong. Under the watchful eyes of the scientists and workers, the cubs learn skills that will help prepare them to be released into the wild. Follow a day in the life of the cubs with Joanne Ryder's spare and simple text and full-color photographs by Dr. Katherine Feng, Wolong's leading photographer. These special cubs have captured the attention of people around the globe. Thanks to dedicated staff and unique resources at Wolong, this threatened species now has a second chance. Here is the true story of their incredible journey toward hope and survival.
