The pure luxury of soaps made with coconut butter, almond oil, aloe vera, oatmeal, and green tea is one of life's little pleasures. And with the help of author Anne-Marie Faiola, it's easy to make luscious, all-natural soaps right in your own kitchen. This collection of 32 recipes ranges from simple castile bars to intricate swirls, embeds, and marbled and layered looks. Begin with a combination of skin-nourishing oils and then add blueberry puree, dandelion-infused water, almond milk, coffee grounds, mango and avocado butters, black tea, or other delicious ingredients — and then scent your soap with pure essential oils. Step-by-step photography guides you through every stage of cold-process soapmaking.

Handmade soap from scratch! Lavender Geranium Ribbon Seaweed Salt Scrub Ocean Fresh Cream Soap Making your own luxurious and lovely soaps is easier than you think! With DIY Artisanal Soaps, you'll find everything you need to make all-natural, custom-designed soaps using locally sourced ingredients and beautifully scented essential oils. Featuring easy-to-follow instructions and tips for personalizing your designs, this book guides you through every step of soapmaking, allowing you to create unique bath and home products every time. Learn how to turn your garden or farmers' market finds into beautiful, handcrafted soaps, with invigorating scents like peppermint and rosemary or the summer-inspired pairings of ginger and papaya. You can even customize the fragrances and textures in the recipes to create the perfect product for your skincare needs. Complete with stunning photographs and unique ideas for gifting, packaging, and selling your creations, DIY Artisanal Soaps helps you bring the vibrant colors and scents of nature into your home.

"If you can follow a recipe, then you can make soap." The Natural Soap Making Book for Beginners is the only soap making book you'll need to bring your favorite scents and styles to homemade soaps--even if you've never made soap before Making soap from scratch is a fun hobby and a great way to control the ingredients in the products you use, but it can be hard to know where to start. The Natural Soap Making Book for Beginners will show you how easy and simple it is to make your very own homemade soaps without artificial dyes and chemicals. Your senses will tingle as you master the art of cold-process soap making using fresh, floral, woody, and amber scents to create your own handcrafted soaps. Get your hands wet with The Natural Soap Making Book for Beginners when you soak in: Step-by-step instructions, tips, and tricks for mastering cold-process soap making, decorating techniques, and scent pairing--designed specifically with beginners in mind. Natural ingredients that avoid harsh chemicals and artificial dyes, which can dry out and irritate your skin. Over 55 diverse recipes to choose from such as castile soap, shampoo bars, shaving bars, anti-aging soaps, salt soaps, goat-milk soaps, and more. Illustrated charts detailing how and when to use natural colorants, essential oils, and herbal infusions. Join Kelly Cable, a longtime soap maker, herbalist, teacher, and creator of the popular blog Simple Life Mom, as she shares the simple tips and tricks of her craft in The Natural Soap Making Book for Beginners.

This recipe book contains 50 recipes for cold process soap and 64 essential oil blends. Recipes include classics such as Oatmeal Lavender, Oatmeal Milk & Honey, Aloe & Cucumber and Pumpkin Spice. Some recipes are more unique, including Summit Soap, Yarrow Shave Soap, Pumpkin Lavender, Almond Orange and Mocha Mint. The recipes are categorized into seven categories including Basic Bars, Designed Recipes, Salt Bars, Bar Soap for the Face, Exfoliating Bars, For the Fellas and Alternative Liquids. Each recipe, except for those in the Basic Bars category, includes an essential oil blend and some contain additives for color or exfoliation. 20 more essential oil blends are listed at the end, giving you 64 blends total! Though it does contain basic steps, it is not an advanced soapmaking book and doesn't go into details on advanced soapmaking topics. The recipes and essential oil blends in this book are provided to inspire creative formulation on your part. Sure you can use a recipe as-is, but don't be afraid to experiment and change things up!

Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

"Based on the blog of the same name, Attainable Sustainable shows readers how to live a simpler, more self-reliant life. It includes instructions not only for growing and cooking food but also for creating artisanal items for the home as well as navigating the great outdoors"--

An illustrated guide to collectibles, including collecting hints, histories, references, clubs and museums.
