How Patricia Cornwell's lesbian affair with FBI agent ended in savage revenge

We all love coffee shops on occasion. The aroma of freshly brewed coffee, the people all around chatting and getting work done, the free Wi-Fi, and, of course, those fancy coffees that you can't ...

“Rother is the next Ann Rule.” —Gregg Olsen Chelsea King was a popular high school senior, an outstanding achiever determined to make a difference. Fourteen-year-old Amber Dubois loved books and poured her heart into the animals she cared for. Treasured by all who knew them, both girls disappeared in San Diego County, just eight miles and one year apart. The families’ anguish galvanized the community and captivated the media. A desperate search led authorities to John Albert Gardner, a brutal predator, convicted sex offender hiding in plain sight—and a complex man whose own mother, a psychiatric nursing professional, failed to see the signs of trouble. Ultimately, Gardner shared a prison unit with Charles Manson. In 2010, Gov. Arnold Schwarzenegger signed Chelsea’s Law: anyone convicted of certain sex offenses against a child in California would get life in prison without parole. Based on Pulitzer-nominated author Caitlin Rother’s exclusive access, Lost Girls is an incisive, heartbreaking true-life thriller that strikes at our deepest fears. “A cautionary tale and a horror story, done superbly.” —Los Angeles Times “A terrifying portrait of a man who was sweet and cuddly one day and a crazed killer the next.” —San Diego Reader “Gripping . . . chilling . . . a must-read.” —Sue Russell “Boldly dissects how a boy with psychological problems formed into a man indifferent to his monstrous acts.” —Katherine Ramsland “Caitlin Rother stirs up the lethal stew of family dysfunction, mental illness, substance abuse and deadly psychopathology. . . . Frank and riveting.” —Diane Fanning Includes dramatic photos

A Pulitzer-nominated author presents a heartbreaking true-life thriller that follows the disappearances of Chelsea King, a popular high school senior, and 14-year-old Amber Dubois, both of whom, beloved by their families and friends, met a brutal fate at the hands of a predator hiding in plain sight. Original.

“Rother is the next Ann Rule.” —Gregg Olsen Nanette Johnston Packard, a sexy divorcee, liked to meet men at the gym and through personal ads. Soon after she began dating millionaire Bill McLaughlin, he moved her and her kids into his bay-front home in Newport Beach. But one man was never enough for Nanette. . . . Eric Naposki, her NFL linebacker lover, fulfilled Nanette’s wilder cravings. Together they schemed to make her fiancé’s fortune their own. When McLaughlin was gunned down, authorities had suspicions—but no proof. Pulitzer-nominated writer Caitlin Rother explores this chilling story of a woman who seemed to have it all—until justice finally had its day. “Rother has written another ‘ripped from the headlines’ page-turner.” —Library Journal “Riveting . . . an emotional and gripping tale from beginning to end.” —Aphrodite Jones, New York Times bestselling author “Rother gets to the heart of a very compelling story, with an eye for detail. A must-read for true crime fans.” —Robert Scott, New York Times bestselling author of Shattered Innocence “Caitlin Rother hooks you from the prologue on.” —Suzy Spencer, New York Times bestselling author of Wasted and Secret Sex Lives Includes dramatic photos

“[This] is one of the great crime mysteries of modern times. It took an author of Caitlin Rother’s caliber to bring it into sharp focus. A riveting read.” —Gregg Olsen, #1 New York Times bestselling author “I got a girl, hung herself in the guest house.” The call came on the morning of July 13, 2011, from the historic Spreckels Mansion, a lavish beachfront property in Coronado, California, owned by pharmaceutical tycoon and multimillionaire Jonah Shacknai. When authorities arrived, they found the naked body of Jonah’s girlfriend, Rebecca Zahau, gagged, her ankles tied and her wrists bound behind her. Jonah’s brother, Adam, claimed to have found Rebecca hanging by a rope from the second-floor balcony. On a bedroom door in black paint were the cryptic words: SHE SAVED HIM CAN YOU SAVE HER. Was this scrawled message a suicide note or a killer’s taunt? Rebecca’s death came two days after Jonah’s six-year-old son, Max, took a devastating fall while in Rebecca’s care. Authorities deemed Rebecca’s death a suicide resulting from her guilt. But who would stage either a suicide ora murder in such a bizarre, elaborate way? Award-winning investigative journalist Caitlin Rother weaves stunning new details into a personal yet objective examination of the sensational case. She explores its many layers—including the civil suit in which a jury found Adam Shacknai responsible for Rebecca’s death, and the San Diego County Sheriff’s Department bombshell decision to reconfirm its original findings. As compelling as it is troubling, this controversial real-life mystery is a classic American tragedy that evokes the same haunting fascination as the JonBenet Ramsey and O.J. Simpson cases. “Rother’s meticulous journalism shines through in this authoritative account of the Rebecca Zahau death incident. If you think you know this case, think again. And read this book.” —Katherine Ramsland, professor of forensic psychology and author of The Psychology of Death Investigations

Good Couple Happy and retired, Tom and Jackie Hawks lived a charmed life in sunny Southern California. They were delighted when former child star Skylar Deleon and his pregnant wife Jennifer offered cash to purchase their 55-foot yacht The Well Deserved. . . . Bad Couple But a trial voyage turned into a nightmare. Out at sea, the Hawkses begged for their lives as they were forced to sign everything over to Skylar. In return, they were tied to the ship’s anchor and thrown overboard--alive. . . . Dead Couple Skylar and Jennifer’s twisted story became even more shocking when Skylar’s unusual sexual motivations were revealed in court. After killing a man while out of jail on work furlough, he reportedly tried to hire hits from prison on four witnesses, including his father. . . . For this former child actor, the answer to “Where Are They Now?” is Death Row. “A thrilling account of murder and mayhem.” --M. William Phelps “A chilling read by a writer at the top of her game.” --Gregg Olsen “A breathless tale of unthinkable events that no true crime fan should miss.” --Katherine Ramsland 16 Pages Of Shocking Photos!

New York Times bestselling author and former federal prosecutor Lis Wiehl uses new research and first-hand interviews to tell the heart-pounding story of Charles Manson's horrific crimes, the painstaking investigation that followed, and the inspired prosecution that put him away.

Detective Ken Goode investigates a string of murders linked to the same beauty school his sister attends, and he must race against time to catch a killer, while fighting his growing obsession with one of the women he is trying to save.

WHERE HOPE BEGINS is the inspiring true story of a reporter who adopts a family of abuse victims, risking her job and possibly her life.

As police investigated the murders Skylar Deleon committed, they also uncovered an unexpected and unusual motive: Skylar had wanted gender reassignment surgery for years. By killing the Hawkses and plundering the couple's assets, the Deleons had planned to clear their debts and still have money for the surgery, which Skylar had already scheduled.

From a New York Times–bestselling author: A searing account of cold-blooded murder as told by “one of the chief practitioners of the true crime genre” (The Baltimore Sun). Michael Peterson was a decorated war veteran and bestselling novelist. His wife, Kathleen, was a high-powered executive and devoted mother. To everyone who knew them, they seemed to be the perfect couple living a life most people would kill for. Then came the tragic night Michael found Kathleen at the bottom of the stairs in a pool of blood. He claimed her death was an accident. The prosecution thought different and put him on trial—and behind bars. Then, in a stunning reversal, a judge gave Michael another chance to stand trial as his children steadfastly proclaimed his innocence. But what happened next would stun observers as new evidence and bizarre theories were introduced in a legal battle that would drag on until it became one of the longest trials in state history. Aphrodite Jones draws on exclusive interviews and revelatory facts to deliver “a richly detailed and deeply researched tale of a greedy, sociopathic killer” (Caitlin Rother, New York Times–bestselling author).
