"Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down." --Midwest Book Review, Diane Donovan (regarding Any Means Necessary) "One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel." --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) From #1 bestselling and USA Today bestselling author Jack Mars, author of the critically-acclaimed Luke Stone and Agent Zero series (with over 5,000 five-star reviews), comes an explosive new, action-packed thriller series that takes readers on a wild-ride across America and the world. What begins it all is the theft of nuclear waste by jihadists from an unguarded New York City hospital. The police, in a

frantic race against time, call in the FBI—and Luke Stone, head of an elite, secretive, department within the FBI, is the only man who can handle it. Luke realizes right away that the terrorists' aim is to create a dirty bomb, that they seek a high-value target, and that they will hit it within 48 hours. A cat and mouse chase follows, pitting the world's most savvy government agents versus its most sophisticated terrorists. As Agent Stone peels back layer after layer, he soon realizes he is up against a vast conspiracy, and that the target is even more high value than he could have imagined—leading all the way to the President of the United States. With Luke framed for the crime, his team threatened and his own family in danger, the stakes could not be higher. But as a former special forces commando, Luke has been in tough positions before, and he will not give up until he finds a way to stop them—using any means necessary. Twist follows twist as one man finds himself up against an army of obstacles and conspiracies, pushing even the limits of what he can handle—and culminating in a shocking climax. A political thriller with heart-pounding action, dramatic international settings, and non-stop suspense, the LUKE STONE THRILLER series is an explosive new series that will leave you turning pages late into the night.

Strong-willed ginger Bella Grant is a take-charge television journalist with an appetite for adventure. Handsome and sexy Luke McGillicutty is a world-weary photographer coaxed out of premature retirement with the promise of traveling the world with a smart, spunky redhead. They've been paired up to create a new brand of television travel program. Traveling to romantic destinations, staying in first-class hotels, finding adventure at every turn, it's not surprising that the two fall in love. Luke is stunned to realize that Bella is the woman he's looked for his whole life. She's beautiful, smart, funny, and courageous. The only thing is, Luke hasn't been completely up front with her. He hasn't told her that he's into BDSM. He could play it safe, keep the relationship going exactly the way it is. But Luke wants more. As a Dominant, he craves the intimacy that a Dom/sub relationship provides. And he knows without a doubt that Bella is the perfect submissive. How will she react if he approaches her about submitting to him as a Dominant? Maybe she'd be intrigued by the idea. On the other hand, he could lose her forever. Life on the road working with Bella is great. Nights spent in Bella's arms are amazing. Should Luke just be satisfied with the way things are? Or should he risk everything on the chance that they could have it all?
