Quickly following what many expected to be a wholesale revolution in library practices,

Bookmark File PDF

Macrosearchengines Com

institutional repositories encountered unforeseen problems and a surprising lack of impact. Clunky or cumbersome interfaces, lack of perceived value and use by scholars, fear of copyright infringement, and the like tended to dampen

Bookmark File PDF

Macrosearchengines Com

excitement and adoption. This collection of essays, arranged in five thematic sections, is intended to take the pulse of institutional repositories-to see how they have matured and what can be expected from them, as well as introduce what may be the future

Bookmark File PDF

Macrosearchengines Com

role of the institutional repository. Making Institutional Repositories Work takes novices as well as seasoned practitioners through the practical and conceptual steps necessary to develop a functioning institutional repository, customized to the

Bookmark File PDF

Macrosearchengines Com

needs and culture of the home institution. The first section covers all aspects of system platforms, including hosted and open-source options, big data capabilities and integration, and issues related to discoverability. The second section addresses

Bookmark File PDF

Macrosearchengines Com

policy issues, from the basics to open-source and deposit mandates. The third section focuses on recruiting and even creating content. Authors in this section will address the ways that different disciplines tend to have different motivations for deposit,

Bookmark File PDF

Macrosearchengines Com

as well as the various ways that institutional repositories can serve as publishing platforms.

The fourth section covers assessment and success measures for all involved—librarians, deans, and administrators. The theory and

Bookmark File PDF

Macrosearchengines Com

practice of traditional metrics, alt metrics, and peer review receive chapter-length treatment. The fifth section provides case studies that include a boots-on-the-ground perspective of issues raised in the first four sections. By noting trends and potentialities,

Bookmark File PDF

Macrosearchengines Com

this final section, authored by Executive Director of SPARC Heather Joseph, makes future predictions and helps managers position institutional repositories to be responsive change and even shape the evolution of scholarly communication.
