buttons to save herself and Solatia from the evil Blaggard . . . but what will it cost her? This ebook features a personal history by Jane Yolen including rare images from the author's personal collection, as well as a note from the author about the making of the book.

A richly expanded edition of the classic call-to-arms. Yolen argues perceptively that fantasy, folklore, and the realm of story provide our children with a "star map for our future". Six new essays tender fresh perspectives on the morality of fairy tales, time travel, the definition of story and, of course, why such themes are essential to the development of today's children.

Newlyweds Jane and David Vincent travel to Belgium, where their ability to create invisibility via glamour makes them a target for emperor Napoleon's returning forces.

Faced with a dull summer in the city, Jane, Mark, Katharine, and Martha suddenly find themselves involved in a series of extraordinary adventures after Jane discovers an ordinary-looking coin that seems to grant wishes.
