Our protagonist is a Witch, the first witch working for the FBI.

Paul has created a parallel United States, where magical beings came out of the shadows long ago. Many of the magical beings now live on reservations...in worse conditions than even the Native Americans. Our hero, Agatha, is a

The Federal Witch  
Summary. This is the

File Type PDF

Magical Probi

first box set of the series.

Imagine a world where  
witches, weres, and

vampires work among

us. The paranormals

came out to the world

during World War I.

History as we know it

took a left turn as world

events changed. World

War II never happened

as we remember it. The

Empire of Japan still

exists.
