The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components.

Students heading for a career in business will benefit from researched and proven selling techniques. Professional sales skills are becoming increasingly important in today's business world. This text covers up-to-date academic topics and rich application materials, providing students with everything they need to understand and apply selling techniques. In the eleventh edition, Manning and Reece have invited Michael Ahearne to join their best-selling author team. Ahearne's experience as Associate Professor of Marketing and Executive Director of the Sales Excellence Institute, in addition to his extensive educational background, provides invaluable insight to this already well-researched text. Developing a Personal Selling Philosophy; Developing a Relationship Strategy; Developing a Product Strategy; Developing a Customer Strategy; Developing a Presentation Strategy; Management of Self and Others Advances in technology and changes in customer expectations mean that sales personnel need to be adaptive and employ the latest in selling techniques. The authors have updated this text with new research and new interactive tools to engage students and reinforce learning with doing.

Credit Analysis and Lending Management is a new Australasian text that focuses on the core lending functions of financial institutions, covering asset management, credit risk assessment and analysis, lending policy formulation and management, and the rise of new product development and marketing in the financial services sector. The value of any financial institution is measured by its ability to effectively manage and reduce its credit risk. This text details the structure of the credit organisation, including loan markets. Relevant financial statements are presented to develop students' interpretative and analytical understanding of financial statements. Features: * Developments in loan marketing and new loan products are profiled and assessed (see chapter 17.) * Problem loan management is discussed as a growing professional issue (see chapter 16). * Detailed case studies at the end of the text present a diverse set of professional scenarios that can be used for assignment, assessment and group work activities. * 'Industry insight' boxes profile current professional issues and identify industry developments. * 'A day in the life of...' boxes highlight the diversity of professional roles in the banking industry.

Un ricchissimo manuale "DIY" (do it yourself) fresco ed elegante, per imparare a conoscere i fiori e le loro infinite potenzialità. Istruzioni guidate, consigli e ispirazioni per creare splendide composizioni di foglie, bacche e boccioli. Fatti il mazzo! è un manuale d'ispirazione e di suggerimenti pratici, ma soprattutto un invito a sviluppare un'attenzione e una

particolare sensibilità nei confronti dell'espressione più alta della botanica: i fiori. Tavole dettagliate, fotografie scattate ad hoc e istruzioni guidate passo a passo insegneranno al lettore a riconoscere le infiorescenze, la loro stagionalità, le loro caratteristiche estetiche e biologiche, e infine a comporre e valorizzarle al meglio, per dare vita a mazzi legati e scenografici bouquet. Attraverso queste nozioni, petalo dopo petalo, si schiuderanno nuovi e più ampi orizzonti riguardo all'ambiente e all'arte: i principi per comporre qualcosa di bello sono, in fondo, universali, gli stessi in pittura come in musica o in floricoltura.

It's the summer holidays, the weather's great, and all the kids are having fun outside. So where's Greg Heffley? Inside his house, playing video games with the shades drawn. Greg, a self-confessed 'indoor person,' is living out his ultimate summer fantasy: no responsibilities and no rules. But Greg's mom has a different vision for an ideal summer . . . one packed with outdoor activities and 'family togetherness.' Whose vision will win out? Or will a new addition to the Heffley family change everything?

108 of the best chefs in New York, including other chefs from other states and Paris

The present volume contains the proceedings of the Seventh International East-West Symposium of New Testament Scholars in Moscow 2016. Its contributions are devoted to different aspects of the question of the relation between history and theology in New Testament and extracanonical Gospel literature. They deal with problems regarding the impact of critical historical approaches for New Testament theology, the relation between the Gospels' claim for truth and historical facts, Orthodox receptions of the Gospel literature, and the presentation of "the" Gospel in Byzantine liturgy.
