Some people call it learning how to drive stick or how to drive a manual. Whatever you call it, both are the same. Many drivers never learn how to drive a car with a manual

# Download Free Manual

Transmission, or stick shift. The ability to drive a stick shift will allow you to drive any type of vehicle regardless of it is automatic or manual. You've heard that a driving stick gives you more control of your car in every situation, from a passing maneuver to descending a snowy

# Download Free Manual

hill. You've heard driving a stick shift car is more economical at the gas pump. You've heard it's more fun.

But you've also heard it's hard to learn.

There are gearshifts to master, your engine can stall, your car can roll backward on a hill, and understanding the clutch is a nightmare.

# Download Free Manual

So, what if I told you using a clutch is no more difficult than using a faucet, or that your car's handbrake is a lot more than just a 'parking brake', or that I can teach you - in one sentence - how to avoid ever stalling your engine? I've already taught thousands of people how to drive stick -
