Smaller companies are abundant in the business realm and outnumber large companies by a wide margin. To maintain a competitive edge against other businesses, companies must ensure the most effective strategies and procedures are in place. This is particularly critical in smaller business environments that have fewer resources. Start-Ups and SMEs: Concepts, Methodologies, Tools, and Applications is a vital reference source that examines the strategies and concepts that will assist small and medium-sized enterprises to achieve competitiveness. It also explores the latest advances and developments for creating a system of shared values and beliefs in small business environments. Highlighting a range of topics such as entrepreneurship, innovative behavior, and organizational sustainability, this multi-volume book is ideally designed for entrepreneurs, business managers, executives, managing directors, academicians, business professionals, researchers, and graduate-level students.

Fully revised and updated, Problems in Marketing includes over 50 new problems. This varied and challenging collection of problems has been written as a learning aid to any marketing textbook. The problems cover a wide range of marketing practice, each problem concentrating on a single concept or technique of marketing management. Problems begin with a full introduction to the concept followed by explicit instructions for solving them. This leads directly to a series of discussion questions to further enhance the application of each problem. Solutions are also available to lecturers by clicking on the companion website logo above.

Pattern yourself after the very best people in your field. Do what they do. Keep yourself positive, cheerful and goal oriented. Sales success is 80 percent attitude and only 20 percent aptitude. Combine the dual qualities of empathy and ambition in every sales relationship. No other book can come close to the expertise captured in Brian Tracy's Great Little Book on Successful Selling. You will be delighted by Brian's common sense and realistic, fresh approach to selling.
