Mercy Among the Children received effusive praise from the critics, was nominated for a Governor General's Award and won the Giller Prize. It was named one of 2000's best books, became a national bestseller in hardcover for months, and would be published in the US and UK. It is seen, however, as being at odds with literary fashion for concerning itself with good and evil and the human freedom to choose between them — an approach that puts Richards, as Maclean's magazine says, firmly in the tradition of Tolstoy and Dostoevsky. Author Wayne Johnston recounts hearing Richards read in 1983 and being struck by his unqualified love for every one of his characters, even though "it was not then fashionable to love your characters". Pottersfield Portfolio editor Tony Tremblay calls Richards the most misunderstood Canadian writer of the century, and a "great moralist", comparing him to Morley Callaghan, Kafka and Melville. As a boy, Sydney Henderson thinks he has killed Connie Devlin when he pushes him from a roof for stealing his sandwich. He vows to God he will never again harm another if Connie survives. Connie walks away, laughing, and Sydney embarks upon a life of self-immolating goodness. In spite of having educated himself with such classics as Tolstoy and Marcus Aurelius, he is not taken seriously enough to enter university because of his background of dire poverty and abuse, which leads everyone to expect the worst of him. His saintly generosity of spirit is treated with suspicion and contempt, especially when he manages to win the love of beautiful Elly. Unwilling to harm another in thought or deed, or to defend himself against false accusations, he is exploited and tormented by others in this rural community, and finally implicated in the death of a 19-year-old boy. Lyle Henderson knows his father is innocent, but is angry that the family has been ridiculed for years, and that his mother and sister suffer for it. He feels betrayed by his father's passivity in the face of one blow after another, and unable to accept his belief in long-term salvation. Unlike his father, he cannot believe that evil will be punished in the end. While his father turns the other cheek, Lyle decides the right way is in fighting, and embarks on a morally empty life of stealing, drinking and violence. A compassionate, powerful story of humanity confronting inhumanity, it is a culmination of Richards' last seven books, beginning with Road to the Stilt House. It takes place in New Brunswick's Miramichi Valley, like all of his novels so far, which has led some urban critics to misjudge his work as regional — a criticism leveled at Thomas Hardy, Joseph Conrad and Emily Bronte in their own day. Like his literary heroes, Richards aims to evoke universal human struggles through his depiction of the events of a small, rural place, where one person's actions impact inevitably on others in a tragic web of interconnectedness. The setting is extremely important in Richards' work, "because the characters come from the soil"; but as British Columbia author Jack Hodgins once told Richards, "every character you talk about is a character I've met here in Campbell River".

When twelve-year-old Sidney Henderson pushes his friend Connie off the roof of a local church in a moment of anger, he makes a silent vow: Let Connie live and I will never harm another soul. At that very moment, Connie stands, laughs, and walks away. Sidney keeps his promise through adulthood despite the fact that his insular, rural community uses his pacifism to exploit him. Sidney's son Lyle, however, assumes an increasingly aggressive stance in defense of his family. When a small boy is killed in a tragic accident and Sidney is blamed, Lyle takes matters into his own hands. In his effort to protect the people he loves -- his beautiful and fragile mother, Elly; his gifted sister, Autumn; and his innocent brother, Percy -- it is Lyle who will determine his family's legacy.

Blaming himself for the death of another child, twelve-year-old Sidney Henderson takes a vow of non-violence that lasts into adulthood, when

an act of violence forces him to turn his back on his promise never to harm another human being. 35,000 first printing.

The frustrations of the community are brought into focus in the plights of twenty-year-old Kevin Dulse, his family, and especially his wild young friends.

Joe, an unemployed alcoholic, tries to improve his relationship with his teenage daughter Adele, set in a remote town in northern New Brunswick. This is a story of love, hate, desire and survival.

Written in taut, penetrating prose, Richards' new novel offers a wide array of unforgettable characters. All are wrestling with issues of integrity, self-preservation, and power in the close confines of their coastal community, and tragedy is waiting to happen. Home from college for the summer is Karrie Smith, whose deep longing for a more exciting life makes her especially vulnerable to the shady world between the decent and the dark. The summer becomes fraught with misadventures and abrupt changes in fortune, but it is only in the aftermath of a senseless murder that the real truth emerges. In this richly textured tale, *THE BAY OF LOVE AND SORROWS* exposes the heart of fierce need and the profligate greed of humankind, and explores the possibility of redemption in whatever circumstances people find themselves. This novel speaks to us, empowers us and enlightens us as Richards reveals the mist of moral uncertainty and the desperation of small-town life. Growing up in a prominent lumber family in the Miramichi, brothers Will and Owen Jameson know little of the world beyond their town and the great men who work the forest, including their father. But as young men, the boys couldn't be more different — where seventeen-year-old Will is headstrong and rugged, able to hold his own in the woods or in a fight, Owen, three years his junior, is literary and sensitive. What worries their mother Mary, however, is the prophecy told to her by a local woman upon Will's birth: "that her first-born would be a powerful man and have much respect — but his brother would be even greater, yet destroy the legacy by rashness, and the Jameson dynasty [would] not go beyond that second boy." She tries to laugh it off, but the prophecy becomes a part of local legend and hangs over the heads of the boys like a dark cloud. When their father dies in a freak accident and the management of the Jameson tracts and company falters, Will, as the true inheritor of his father's "shrewd mind and fists to match," quits school to take over. He's a strong leader of men, but perhaps too strong at

times, and dies while clearing a log jam during a run. Reggie Glidden, Will's best friend and the Push of the Jameson team, takes Owen under his wing, searching for any small sign that the younger boy has his brother's qualities. But Owen knows his limitations and, after his brother's death and then rejection by the girl of his dreams, Lula Brower, he joins the army and heads off to war hoping to get himself killed. Instead, he returns a decorated war hero. Then he falls in love with the beautiful, childlike Camellia — the wife of Reggie Glidden — and soon Owen and Camellia find themselves watched on all sides, caught in the teeth of an entire town's gossip and hypocrisy despite the innocence of their relationship. But for the community, it's as if taking Owen Jameson — and therefore the whole Jameson family — down a peg or two will give them control over their changing world. Inexorably, Owen and Camellia are pulled into a chain of events that will end with death, disappearance, and a sensational trial. At the same time, realizing his destiny, Owen takes over the family business and begins what will become the greatest cut in New Brunswick history, his men setting up camp on the notoriously dangerous Good Friday Mountain. The teamsters spend months in fierce ice and snow, daily pitting themselves against nature and risking their lives for scant reward, in the last moments before the coming of mechanization that will make them obsolete. This heroic, brutal life is all Meager Fortune, the camp keeper, knows. A good and innocent man, he shows unexpected resolution in the face of the betrayals of the more worldly men around him. With *The Friends of Meager Fortune*, award-winning author David Adams Richards continues his exploration of New Brunswick's Miramichi Valley, both the hard lives and experiences that emerge from that particular soil and the universal human matters that concern us all: the work of the hands and the heart; the nature of true greatness and true weakness; the relentlessness of fate and the good and evil that men and women do. It is a devastating portrait of a society, but it is also a brilliant commemoration of the passing of a world — one that cements David Adams Richards' place as the finest novelist at work in Canada today.

A powerful tragedy distilled into a small masterpiece by the Nobel Prize-winning author of *Beloved* and, almost like a prelude to that story, set two centuries earlier. Jacob is an Anglo-Dutch trader in 1680s United States, when the slave trade is still in its infancy. Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt. Feeling rejected by her slave mother, 14-year-old Florens can read and write and might be useful on his farm. Florens looks for love, first from Lina, an older servant woman at her new master's house, but later from the handsome blacksmith, an African, never enslaved, who comes riding into their lives . . . At the novel's heart, like *Beloved*, it is the ambivalent, disturbing story of a mother and a daughter — a mother who casts off her daughter in order to save her, and a daughter who may never exorcise that abandonment.

Mercy is the gripping follow up to *Long Road to Mercy*, *A Minute to Midnight* and *Daylight* featuring Special Agent Atlee Pine from one of the world's most favourite thriller writers, David Baldacci. **THE HUNT IS FINALLY OVER.** FBI agent Atlee Pine is at the end of her long journey to discover what happened to her twin sister, Mercy, who was abducted when the girls were just six years old — an incident which destroyed her family and left Atlee physically and mentally scarred. She knew her sister and parents were out there somewhere. And she had to find them. Dead or alive. Atlee and her assistant, Carol Blum, discover the truth. But the truth hurts. And hurt makes you tough. So how tough do you have to be to forgive? As they uncover a shocking trail of lies, greed, fear and revenge, they must face one final challenge. A challenge more deadly and dangerous than they could ever have imagined.
