coast of Denmark for generations. But now, as Europe's medieval age comes to a close, the efforts of zealous priests and the destructive ringing of church bells are causing the city to crumble. An ageless people who thrived apart from the cruelty of human existence on land, the merfolk are poetic speakers, loving

and loyal, nearly impervious to death but with one great deficiency: They lack souls. Their numbers dwindling, the merpeople scatter. Some abandon their home for the coast of Dalmatia in the Adriatic Sea, while others—the half-human, half-seaborn children of the great merfolk king Vanimen—decide to

scout alien territory on
land for adventure,
treasure, and clues to
their lost human
heritage.
