Now in its fourth edition, Infotech is a comprehensive course in the English of computing, used and trusted by students and teachers all over the world.

This is a programme covering a wide range of cross-curricular themes and moral issues which include citizenship, friendship, bullying, equal opportunities, drugs, safety, health and bereavement. Each module lists objectives, methodology and resources required for each lesson.

An attractive and innovative four-level course for lower-secondary students. The Teacher's Resource Pack provides photocopiable tests, extra activities and drills. Extra support is available online in the form of grammar worksheets, Portfolio Builders, EAL support and graded Infoquests with accompanying worksheets. A Teacher's Book containing teacher's notes, easy extension ideas, answer keys and tascritps is available separately.

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

An attractive and innovative four-level course for lower-secondary students. This Teacher's Book contains extensive notes on how to use the material in the Student's Book. Background information on the texts and topics is provided, as well as options for extending practice of key language points. There are answer keys and tapescripts for the Student's Book and Workbook. Extra support is available online in the form of grammar worksheets, Portfolio Builders, EAL support and graded Infoquests with accompanying worksheets. A Teacher's Resource Pack containing photocopiable tests, extra activities and drills is also available separately.

An innovative reference reveals the many capabilities of the Python Standard Library, which is a compilation of commonly used procedures that can be pasted into a Python script, by providing over 300 real-world example scripts. Original. (Intermediate/Advanced)

Attractive and innovative, Messages is the perfect course to motivate lower-secondary students. There are six modules of two units per level, each divided into three manageable steps. Clear aims and outcomes for each step mean students can put what they learn into practice immediately. Each level of the course contains lots of recycling in regular four-page review sections. Messages is closely linked to the CEF. The 'Coursework' activities at the end of each module provide students with examples of work to add to it. Regular 'Learning diary', 'How's it going?' and 'Study skills' sections create independent learners who take responsibility for their own progress.
