Mindfulness Yoga emphasizes the spiritual side of yoga practice, an aspect often overlooked in a culture that tends to fixate solely on the physical benefits of yoga. Unlike any other Buddhism-meets-yoga book, Mindfulness Yoga presents the two disciplines as a single practice that brings health to the body and liberates the mind and spirit, awakening compassion and fostering equanimity and joy.

Publications - Mindfulness Yoga

I was invited by Wisdom Publications to write a book integrating the four foundations of mindfulness with the movements and postures of hatha-yoga. That book, Mindfulness Yoga: The Awakened Union of Breath, Body and Mind offers a fully comprehensive and integrated practice of hatha-yoga-asana with buddhist mindfulness (vipassana) meditation based upon the instructions of the Buddha on the four Foundations of Mindfulness.

Meditation groups in Union - Meetup

This is not the complete story of the practice of yoga. The full truth of yoga, which is a union in action and thought, is founded historically on a person's ability to over come the self in order to be of service to the greater self. It is in this action we connect the community, keeping us mindful in yoga.
