Minding the Body, Mending the Mind - Joan Borysenko ...

Mending our minds is no easy affair: "Old ways of thinking exert incredible force on our awareness, distorting reality as it's actually unfolding in the moment. Human beings learn by association and repetition and find it difficult to drain the charge out of old beliefs and habitual patterns of reaction that have a lifetime of voltage in them.

Avoid “Mind Traps” and Pursue Understanding. Mental traps include wanting to be an authority, making your bliss... Be ...

Minding the Body Mending the Mind PDF Summary - Joan Borysenko

Researchers work to understand the roots of stress and the seemingly magical mind-body connection that enables hypnosis, acupuncture and other techniques to help people. The new interdisciplinary field of “psychoneuroimmunology” (PNI) explores the triggers and interactions that cascade stress reactions through the body’s organs and immune system.

Minding the Body, Mending the Mind Free Summary by Joan ...

"Ultimately minding the body and mending the mind have more to do with wholeness — healing — than with curing. To be whole means to be a flexible adventurer, ready to meet life's challenges with engagement and curiosity. It means feeling a sense of connection to the whole of life — to other people, to new ideas, to the world around us.
