Each one includes ELA, Math, and Science resources in a monthly theme, engaging students with timely and interesting content. All Monthly Collections included color and black and white student pages, an answer key, and editable calendars for teachers to customize.

The Two-Minute Math Drill series was created to help teachers and parents monitor student progress in operations skills. This book focuses on fractions and decimals. It is a great tool to improve student efficiency in absorbing math facts by making use of timed two-minute drill exercises. Students learn one skill at a time and must master each assignment before moving on to the next timed drill. Each exercise includes a brief review of the skill offered in the last timed test before parenting problems involving the new math fact. The first half of the book reinforces operations skill with decimals; the last half focuses on fractions. The final pages include problems involving both fractions and decimals. Students clearly see their progress as they master each skill. They also become more accustomed to working against the clock as they build greater self-confidence in taking the standardized tests they will face in the future. Reproducible. Answer keys included

Using word searches, hidden messages, analogies, anagrams, and creative puzzles, students will learn about history while they apply critical-thinking skills. This resource provides students with opportunities to organize and analyze information and to draw conclusions. Extension activities promote practical, informative, narrative, and expository writing skills to help meet the standards.

Complete Year for Grade 4 provides a whole year's worth of practice for essential school skills including word roots, prepositional phrases, similes and metaphors, multiplication and division, fractions and decimals, angles, and more. Thinking Kids'(R) Complete Year is a comprehensive at-home learning resource with 36 lessons-one for each week of the school year! Practice activities for multiple subject areas, including reading, writing, language arts, and math, are included in each weekly lesson to ensure mastery of all subject areas for one grade level. Complete Year lessons support the Common Core State Standards now adopted in most US states. Handy organizers help parents monitor and track their child's progress and provide fun bonus learning activities. Complete Year is a complete solution for academic success in the coming school year.

The April Monthly Collection for third grade is aligned to current state standards and saves valuable prep time for centers and independent work. The included April calendar is filled with notable events and holidays, and the included blank calendar is editable, allowing the teacher to customize it for their classroom. Student resource pages are available in color and black and white.
