incompetitive exams ' preparation. EduGorilla offers vernacular online testseries and mock tests for more than 1151 national and international exams. This book is an endeavor of the community to provide their digitized practice material in printed format. The book has been written to meet the requirements of IBPS aspirants and provide them with well-conceptualized and structured practice material. It contains multiple-choice questions modeled on the relevant subjects and topics. The volume has been prepared by a team of experts after thoroughly analyzing the exam pattern, syllabus, and previous years ' papers. It gives a fair idea to the students about the structure of the question paper and the type of questions asked in the exam. The title begins with an overview of the exam and goes on to cover practice sets along with hints and solutions. It intends to guide the students to solve questions with a higher degree of accuracy and within the stipulated time. Students can analyze their performance and gauge their preparation level.

The SAGE Course Companion on Organization Theory is an accessible introduction to a challenging subject area. This book helps readers to extend their understanding of theories and make the connection between them and organizational practice. It will enhance their thinking skills in line with course requirements and provides support on how to revise for exams and prepare for and write assessed pieces. Readers are encouraged not only to think like a organizational theorist but also to think about the subject critically. Designed to compliment existing textbooks for the course, the companion provides: - Easy access to the key themes in Organizational Theory - Helpful summaries of the approaches taken by the main course textbooks - Sample questions and answers, with common themes that must
