A quadratic is an expression of the form $ax^2 + bx + c$, where a , b and c are given numbers and $a \neq 0$. The standard form of a quadratic equation is an equation of the form $ax^2 + bx + c = 0$, where a ,

Download Ebook Module 4

b and c are given numbers and $a \neq 0$. We seek to find the value(s) of which make the statement true, or to show that there are no such values.
