"During the colonial

Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular.

Curiously, female sexuality and sexual behavior play an outside

role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to

the scientific study of  
Indian social progress.  
The colonial state and  
an emerging set of  
Bengali male  
intellectuals extended  
the regulation of

new perspectives to  
understand the power of  
paternalistic and deeply

today. These histories  
reveal the enduring  
authority of scientific  
claims to a tradition that

Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

Getting married, staying married and being happily married are three disconnected realities for many couples all over the

world. A cocktail of  
wrong attitudes,  
inappropriate postures  
and unwholesome  
speech has  
progressively turned  
many marriages from  
something to be enjoyed

as the most authentic  
guide on marriage, this  
book, together with the  
others in the series, are  
devoted to amplifying  
simple but profound  
biblical principles that  
are divinely designed by  
God to guarantee  
success and joy in  
marriage. This particular  
book, Naked but not

principally on the teachings on marriage as contained in Genesis, the First Book of the Holy Bible. It focuses on how to dethrone secrecy, deceitfulness, hypocrisy, discord, and mockery, whilst enthroning transparency, sincerity, trust, togetherness and mutual understanding (that is, enthroning

This book is for you ...

If marriage is a  
futuristic project for you  
but you want to  
understand how it works  
before you jump in; If  
you are about to marry  
and you want to get it  
right from the first day;  
If you are already

your marriage to be

broke ground, shattered  
taboos, and launched  
conversations about  
young women's right to  
pleasure and agency in  
sexual encounters. It  
also had an unexpected  
effect on its author:

# Where To Download Moti

Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and

In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy.

Drawing on  
comprehensive

of sexual violence. By  
surfacing young men's  
experience in all its  
complexity, Orenstein is  
able to unravel the  
hidden truths, hard

realities of young male  
sexuality in today's

time to celebrate boys.

Against the backdrop of  
a growing national

conversation about how  
to raise sons to become  
good people, Kate T.

Parker is leading the  
way by turning her lens  
on boys. Author of the

bestselling book about  
girls *Strong Is the New

the true heart of a boy in  
200 compelling

photographs. Boys can be wild. But they can also be gentle. Bursting with confidence, but not afraid to be vulnerable. Ready to run fearlessly downfield—or reach out to a friend in need. In this empowering, deeply felt celebration of boys being—and believing in—their themselves, see the unguarded joy of a little brother hugging his big

brother. The inquisitive look of a young scientist examining a bug. The fearless self-expression in a ballet dancer's poise. There are guitarists, fencers, wrestlers, stargazers, a pilot. Boys who aspire to be president, and boys whose lives are full of overwhelming challenges, yet who bravely face each day as

it comes. With inspiring and joyful quotes from the boys themselves, this book spreads a heartfelt, uplifting message of openness, self-confidence, and warmth. “Kate T. Parker’s incredible *Strong Is the New Pretty* helped us reimagine girlhood as silly, messy, spirited, and fun. Now she turns her perceptive

bold—the adjectives describing boys could go on for pages. But if boys are to grow up to be admirable men, the one thing they must be is kind. Kate T.
