and two murders equal one reckless week in New York.

Lovers and Players takes you on a high-powered trip from Park Avenue to Brooklyn. Jackie Collins is back—in her most deliciously scandalous novel yet. And she's giving her readers a revealing look into the private realms of her fabulously rich and sexy cast of characters. In Lovers and Players, the Diamond family's power extends from coast to coast.

Max—a real estate tycoon; Chris—a Hollywood lawyer; and Jett—a young, handsome ex-druggie, now a successful model in Italy, must finally come face to face with their tyrannical father, Red, who has been controlling their world for as long as they can remember.

Working as Red's housekeeper is

Diahann, a beautiful black ex-singer. Her stunning bi-racial nineteen-year-old daughter, Liberty—a waitress who is a would-be singer herself—does not approve of her mother working as a housekeeper. Liberty has dreams of her own and while she pursues them, Damon P. Donnell, married hip-hop mogul supreme, pursues her. Amy Scott-Simon, a beguilingly pretty young New York heiress, is engaged to marry Max Diamond. At her bachelorette party she runs into Jett, Max's younger brother. Jet has no idea who Amy is. She also doesn't realize who he is. A one-night fling leads to major complications. As the lives of these characters intertwine, power, money, fame and love are the ties that

bind—emotionally and otherwise—in this highly charged love story about family relationships and deadly choices.

The home to mysterious immortal creatures intent on fulfilling their visitors' secret fantasies while ensuring their own gratification, the Castle of the Hidden Grotto can only be reached by making one's way along an unmarked path through miles of primordial forests and gorges and forms the backdrop to a trio of interwoven erotic tales. Original. 32,000 first printing.

A new fantasy trilogy that blends

fine literary fare with a terrific romp through the reimagined outskirts of Victorian-era London. The extensive Iremonger family of Filching ("kings of mildew, moguls of mould") has made a fortune from junk, building a dark and sprawling mansion from salvage scrap. Heap House is surrounded by the dangerous, noxious, shifting Heaps that stretch beyond its bounds, while within its walls, certain objects begin to display strange signs of life. Young Clod Iremonger is on the cusp of being "trouserred" and betrothed (unhappily) to his cousin Pinalippy when he meets the plucky orphan servant Lucy Pennant, with whose help he begins to uncover the dark secrets of his family's empire. Mystery, romance and the perils of

the Heaps await! Gorgeously and ghoulishly illustrated by the author, the novel is peopled with unforgettable characters--anxious, animal-loving Tummis with his pet seagull, menacing cousin Moorcus, dreadful Aunt Rosamud and more. As Carey writes, "Every life is thick with rubbish, but the Iremongers did it with a difference"

On semiotics, fashion and philosophy

Beckford's Gothic novel *Vathek*, an Arabian tale, was originally written in French when the author was twenty-one. Published in English in 1786, it was one of the most successful of the oriental tales then in fashion. This edition makes

available to a new generation of scholars and general readers, the originality of Beckford's ideas, and the excellence of his prose.

Part one of an unusual and astonishing new fantasy trilogy that blends fine literary fare with a terrific romp through the reimagined outskirts of Victorian-era London In the imaginary borough of Filching, the extensive Iremonger family (“ kings of mildew, moguls of mould ”) have made a fortune from junk, building a dark and sprawling mansion from salvage scrap. life. Young Clod Iremonger is about to be "trouserred" and betrothed (unwillingly) to his cousin Pinalippy when he meets the plucky orphan servant Lucy Pennant, with whose help he begins to uncover the dark secrets of his family ' s empire. Mystery, romance and the perils of the Heaps await! Gorgeously (and ghoulishly) illustrated by the author, Heap House is peopled with unforgettable characters with delightfully skewed names--anxious, animal-loving Tummis with his pet seagull; menacing cousin Moorcus; dreadful Aunt Rosamud and more. As Carey writes, " Every life is thick with rubbish, but the Iremongers did it with a difference. "
