The Perfect Neighbor by Nora Roberts released on Jan 25, 1999 is available now for purchase.

Fresh out of a failed engagement, Olivia Hales is in dire need of a fresh start. Tired of being the charming and accommodating girl that always gets stomped on, she 's determined to change her outlook on life. When she finds her dream job in a small town in California, she thinks she 's finally found her place in life. That is, until she meets her new neighbor. Roman Banks. Moody. Foul-mouthed. Jerk. And the hottest man on the planet. At a sprawling six foot five, he was coldly distant and physically intimidating. Not only was her new neighbor a God that was good with his hands, he was also a grade-A jerk. Trapped on the same street, sharing the same space together, they 've become entrenched in an addictive, ridiculous, never-ending game of insults and pranks that result in the destruction of two perfectly good homes. The tension between them is as thick as the walls of their houses are thin. Roman 's touch burned like fire even when his words were ice, and both of them will stop at nothing to make the others life hell. In the midst of the pranks and the hate they harbor for each other, Olivia slowly pulls back the layers of the man next door and finds herself consumed with wanting to fix him and his past. When both enemies start to catch feelings for each other, Olivia finds herself hiding her own secrets, not wanting to lose another man in her life. Lines are drawn. Strict rules put into place. But that doesn 't stop Olivia from wanting to save the quiet, broody man next door. They say you 're supposed to love thy neighbor, but that was the furthest emotion she felt when thinking about Roman. Hate was all there was to their relationship. At the very least, that 's what she tried to tell herself. Hate Thy Neighbor is a full length Enemies-to-Lovers standalone.

A girl, a boy, and a bet. Good girl Astrid Ella Bailey, the Oreoloving school nerd of Evergreen High, has anxiety issues. She never got into trouble, save for that one time a kid ruined a photo of her best friend... a very dear friend she just lost in a tragic accident. Bad boy Kai Asher, her high school's head playboy, is trouble incarnate. Intense, rough, and sexy, he's the one who makes all the girls swoon. One flirtatious wink and their hearts bend like clay dough. Oh, the shame when they all break like fragile china. A bet is made, tempers flare up, and punches are thrown. Here I am. One of only two residents left in an entire building block in Lower Manhattan. A developer has managed to buy out everyone else except me and the manwhore in the apartment next door. I say manwhore because: 1. He's the hottest thing I've seen on two legs. (it shouldn't be a reason but it kinda explains reason number two) 2. The screams of ecstasy coming from his apartment on a regular basis. On the day I find out my boyfriend is a worthless, low-life cheating jerk, I get too drunk too care with my bestie and manage to lock myself out of my apartment. Then...I'm not exactly sure how it happened, but I accidentally/purposely kissed the manwhore. Turns out, sex on legs, six-foot and four inches of hard muscle is a hot-shot businessman who's used to

NEW YORK TIMES BESTSELLER • In Danielle Steel ' s gripping new novel, a reclusive woman opens up her home to her neighbors in the wake of a devastating earthquake, setting off events that reveal secrets, break relationships apart, and bring strangers together to forge powerful new bonds. Meredith White was one of Hollywood ' s most recognizable faces. But a personal tragedy cut her acting career short and alienated her from her family. For the last fifteen years, Meredith has been living alone in San Francisco with two trusted caretakers. Then, on a muggy late summer day, a massive earthquake strikes Northern California, plunging the Bay Area into chaos. Without a moment ' s hesitation, Meredith invites her stunned and shaken neighbors into her mostly undamaged home as the recovery begins. These people did not even realize that movie star Meredith White was living on their street. Now, they are sharing her mansion, as well as their most closely kept secrets. Without the walls and privacy of their own homes, one by one, new relationships are forged. For every neighbor there is a story, from the doctor whose wife and children fear him, to the beautiful young woman dating a dishonorable man, to the aspiring writer caring for

a famous blind musician. In the heart of the crisis, Meredith finds herself venturing back into the world. And thanks to the suspicions and the dogged detective work of a disaster relief volunteer, a former military officer named Charles, a shocking truth about her own world is exposed. Suddenly Meredith sees her isolation, her estranged family, and even her acting career in a whole new light. Filled with powerful human dramas, Neighbors is a penetrating look at how our world can be upended in a moment. In a novel of unforgettable characters and stunning twists, acts of love and courage become the most powerful forces of all.

Don't fall for your enemy...especially when he's your new roommate. Dean Evans is the worst. Not only does the devil in disguise steal my pie on a regular basis, he also lives in the apartment right. Next. Door. I see him all the time. At the mailboxes. In the elevator. Every single morning. It's exhausting because he's exhausting. Now, after setting his apartment on fire, he's my roommate...and he's the worst at that too. I don't know what possessed me to let him stay with me. Pity, perhaps? I do know that I won't be falling for his charm. Or that panty-dropping smirk. His quick wit. That body he works so hard for. Nope. Not falling for any of it...least of all him. There might be a fine line between love and hate, but I know exactly where I stand.

A STANDALONE NOVEL that does NOT need to be read in conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I 'd dubbed " Angry Artist " also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I

thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn't be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn't lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn't shatter it for good. Author's note – Neighbor Dearest is a full-length standalone novel.
