The National Geographic Readers series has expanded beyond elementary school levels to reach children at the very beginning of their lifelong relationship with reading. Hop, Bunny! uses simple vocabulary and fun pictures to capture the interest and help develop the skills of beginning readers. The cuteness, humor, and fun information make this new reading experience a treat.

Simple text and photographs describe the plants, animals, and bodies of water that a bunny can see in the forest.

Following a rabbit as it explores the woods, provides information about forest animal life, plants, and water sources.

Hop Bunny! uses simple vocabulary and fun pictures to capture the interest and help develop the skills of beginning readers. The cuteness, humor, and fun information make this new reading experience a treat.

Discover the plants and animals that live in and around a pond in this new Pre-reader about the many things to be found in this amazing ecosystem. If you visited a pond, what would you see? In this fun Pre-reader, young readers will learn all about ponds and the ducks, turtles, frogs, and other animals that call these watery habitats home. Key features include: Expert-vetted text appropriate for ages 3 to 5 and up to a kindergarten grade level Brilliant and eye-catching National Geographic images A vocabulary tree and wrap-up activity that introduces kids to new words and concepts Perfect for beginning and young readers, National Geographic Pre-readers give kids a chance to use what they've learned, while expanding their understanding of the world. About the series: This high-interest, educationally-vetted readers series features magnificent National Geographic images accompanied by text written by experienced, skilled children's book authors. Each reader includes a glossary and interactive features in which kids get to use what they've learned in the book. Level 1 readers reinforce the content of the book with a kinesthetic learning activity. Level 2 readers feature slightly higher-level text and additional vocabulary words. Level 3 readers have more layers of information to challenge more proficient readers. For emerging readers, the Pre-reader level introduces vocabulary and concepts, and the Co-reader level provides a collaborative reading experience. Praise for National Geographic Readers: "Reliable in format and solid in execution, this series works well to introduce children of varying levels of reading comfort to nonfiction and research formats." Quoted by: Maggie Reagan, Booklist Complete your collection with these popular National Geographic Pre-readers: National Geographic Readers: Swing, Sloth! Explore the Rain Forest National Geographic Readers: At the Beach National Geographic Readers: Animal Homes National Geographic Readers: Hop, Bunny! Explore the Forest

Come along as little puppy goes out exploring in the world. Along the way he meets new friends, big and small, and sees amazing sites, but can't wait to get back home to mom. Told in simple yet lively text built with sight words and using picture icons to aid reading, National Geographic Pre-readers will enchant kids just beginning their journey with books.

Introduces lion cubs to young readers using simple, repetitive text and photographs, including lion family members and behaviors.
