Guides

The purpose of this pharmacology study guide is to help nursing graduates work through the vast amount of pharmacological knowledge required for the NCLEX-RN(r) in a systematic and purposeful way. The breadth and detail of the knowledge required of

Download Ebook Nclex

pharmacological concepts often overwhelms new graduates when they are beginning their exam preparation. This guide organizes content using the current NCLEX-RN(r) Test Plan (2016-2019) and provides specific strategies to address pharmacological areas of review which may

Download Ebook Nclex

challenge new graduates
in their exam

preparation. The guide

was created by an

experienced

undergraduate nurse

educator specializing in

critical thinking

development and

application for high

stakes exam writing.

Many candidates, while

studying for the NCLEX-

RN(r), often forgo
