China's Communist Party has stoked nationalist pride ahead of its 100th anniversary. That may be risky for Beijing.

The work of a voice artist isn't necessarily what it may seem to the viewer or listener. It is a craft that is learned through intense study and practice. The cast of Sailor Moon were paragons of this art form and reveal their techniques in accomplishing their roles in this book. This is the inside story of the English recording of Sailor Moon and will make the reader aware of the arduous work that actually took place to achieve this groundbreaking series that still receives continuing adoration. Anyone with an ambition to be a voice actor, or any fan of the series should read this book. It will open your eyes to a career that is exciting, fun and ultimately rewarding. It was written by Roland Parliament, the director of 65 episodes of Sailor Moon who was there every long day of the recording process. His observations will enlighten you to the very tough work the actors went through to bring to life a program that would become such a highly successful and entertaining series.

"Whether making my heart melt or my head burst into flames, Annabeth Albert draws the reader in and keeps them captivated." -Gay Book Reviews The sexy Navy chief and his best friend's adorkable little brother... It's petty, but Naval Chief Derrick Fox wishes he could exact a little revenge on his ex by showing off a rebound fling. His submarine is due to return to its Bremerton, Washington, home base soon and Derrick knows all too well there won't be anyone waiting with a big, showy welcome. Enter one ill-advised plan... Arthur Euler is the guy you go to in a pinch-he's excellent at out-of-the-box solutions. It's what the genius music-slash-computer nerd is known for. So when he finds out Derrick needs a favor, he's happy to help. He can muster the sort of welcome a Naval Chief deserves, no problem at all. Except it is a problem. A very big problem. When Arthur's homecoming welcome is a little too convincing, when a video of their gangplank smooch goes enormously viral, they're caught between a dock and a hard place. Neither of them ever expected a temporary fake relationship to look-or feel-so real. And Arthur certainly never considered he'd be fighting for a very much not-fake forever with a military man. Also from Annabeth Albert: Out of Uniform Book 1: Off Base Book 2: At Attention Book 3: On Point Book 4: Wheels Up Book 5: Squared Away Book 6: Tight Quarters Book 7: Rough Terrain Hotshots Book 1: Burn Zone Book 2: High Heat Book 3: Feel the Fire Book 4: Up in Smoke Carina Adores is home to highly romantic contemporary love stories where LGBTQ+ characters find their happily-ever-afters. Discover a new Carina Adores book every month!

If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Cyclist jokes is for you. In this not-so-original book, The Best Ever Book of Cyclist Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The Best Ever Book of Cyclist Jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one Cyclist joke in this book, there's something wrong with you. This book has so many Cyclist jokes, you won't know where to start. For example: Why do Cyclists wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured a Cyclist and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Cyclist brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Cyclist who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Cyclists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. ***

Fans of Patrick Taylor's bestselling Irish Country novels know Dr. Fingal Flahertie O'Reilly as the irascible senior partner of a general practice in the colourful Irish village of Ballybucklebo. But there was a time, shortly after arriving in Ballybucklebo, that Dr. O'Reilly was not widely accepted by the villagers. This touching short story tell of how O'Reilly, with a little help, began to overcome their objections. Whether you're visiting for the first time, or you're a long-time resident, you'll enjoy this fun glimpse into life Patrick Taylor's village of Ballybucklebo. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Media and communication advancements allow individuals across the globe to connect in the blink of an eye. Individuals can share information and collaborate on new projects like never before while also remaining informed on global issues through ever-improving media outlets and technologies. Advanced Methodologies and Technologies in Media and Communications provides emerging research on the modern effects of media on cultures, individuals, and groups. While highlighting a range of topics such as social media use and marketing, media influence, and communication technology, this book explores how these advancements shape and further the global society. This book is an important resource for media researchers and professionals, academics, students, and communications experts seeking new information on the effective use of modern technology in communication applications.
