The beloved host of the NBC hit show American Ninja Warrior draws inspiration from both the fierce competitors on his show and his own unlikely path to success to outline the essential steps to achieving your goals and becoming a modern-day ninja. Akbar Gbajabiamila, the host of NBC's hit Emmy-nominated show, American Ninja Warrior, did not have an easy path to success. One of seven children to Nigerian immigrant parents, he grew up in the Crenshaw district of South Central Los Angeles during the 1980s and 90s, a time when the neighborhood was fraught with riots and gang violence. With dreams of playing professional basketball, Gbajabiamila found success not in the sport he loved, but in football. Late in his high school career, Gbajabiamila suited up with pads for the first time and was thrown into the complex sport of football. He climbed major hurdles to play college football and then professional football. After playing in the NFL, it was only after years of hard work behind-the-scenes in radio and television that he was offered the job to be the host of American Ninja Warrior. Through his own inspirational underdog stories and interviews with modern-day ninjas who have accomplished extraordinary things in their own lives against the odds, Akbar proves in Everyone Can Be a Ninja that it doesn't matter if you make it through every step of the obstacle course on the first try. Ninjas keep pushing themselves until they reach their goals, and they don't let anyone or anything stand in their way. It is easy to see greatness in others; it's hard to see it in ourselves. Everyone Can Be a Ninja shows you that we can fulfill our potential and achieve our dreams by finding our inner warriors.

100 Time-saving, stress-free recipes for your Ninja(R) Foodi(TM) XL Pro Air Oven Between school, work, and other schedule-jamming activities, preparing delicious home-cooked meals can fall by the wayside—but with the XL Pro Air Oven, they can become a daily occurrence. If you're ready to add simplicity and ease to your cooking, pick up The Ninja(R) Foodi (TM)XL Pro Air Oven Complete Cookbook and transform the way you cook.

"Teaches ancient approaches to modern information security issues based on authentic, formerly classified ninja scrolls"--

The Book of Ninja, the ultimate ninjutsu manual, was penned in 1676 by a ninja known as Fujibayashi. Born in the post-civil war era of Japan, Fujibayashi collected and combined information from the ninja clans of Iga - regarded to be the homeland of the ninja - and compiled it into an authoritative book. Known as The Bansenhukai, this book has now been translated into English by the Historical Ninjutsu Research Team. It is widely considered to be the 'bible' of 'ninjutsu', the arts of the ninja. The Book of Ninja begins with an in-depth introduction to the history of Fujibayashi's scripture. Then the teachings themselves, appealingly rendered in this translation, take us into the secrets of guerilla warfare and espionage. We learn how to become the ultimate spy, whether through a network of spies or by hiding in plain sight. Through the stealth and concealment tactics of night-time infiltration and through weapon and tool building skills, as well as mission planning, we can learn much both about warfare and about adopting the right mindset for tackling our own inner and outer enemies. Adding to the mix for the spycraft lover, there are sections on capturing criminals, performing night raids, making secret codes and signs, and even techniques for predicting the weather and using an esoteric Buddhist system of divination. An exciting and engaging tome of lost knowledge, The Book of the Ninja is the final say in the world of the ninja and the ultimate classic for samurai and ninja enthusiasts alike.

A straightforward if wacky guide for would-be ninjas takes readers step by step through the long and arduous process of learning the deadly art of ninjahood, explaining how to safely negotiate the Cavern of Good Touch/Bad Touch, how to be quieter than bug thoughts, and the ultimate secrets of the ninja clans. Original. 50,000 first printing.

We all know the benefits of healthy eating, but in practice, it's often just not compatible with a busy, working lifestyle. Grabbing food on the go between meetings, before you rush to the gym, after catching up with friends "there's just not enough time to be fussy " what you eat often takes a backseat. But what if that didn't have to be the case? What if what you were eating actually gave you more time; boosting your productivity, increasing your focus, and ensuring that you didn't fall victim to that daily 3pm energy slump? Productivity and nutrition experts Graham Allcott and Colette Heneghan present a new way to think about what you eat: the Productivity Ninja way. A new book in the bestselling Productivity Ninja series, Work Fuel shows you how eating well can and should fit into your lifestyle, however busy it is. From surviving conferences and work trips to how to best put together your food shopping list, Work Fuel provides you with an investment plan, promising to improve your performance, focus and energy by changing the way that you eat.

It's a multicooker--it's an air fryer--it even has a built-in crisping element! Welcome to your newest all-in-one cooking appliance obsession, the Ninja Foodi. This officially licensed book is the ultimate guide to cooking with the Foodi--with 125 recipes from Food Network celebrity chef Justin Warner who helped test and design the appliance along with full color photos. Finally, a one-step countertop cooking appliance that truly does it all. The 125 recipes in the Foodi cookbook offer air-frying, pressure-cooking, and slow-cook recipes from breakfast through dinner. Approachable and friendly, you'll find guidance for making air-fried French toast sticks as well as perfect Japanese-style omelets; golden-brown and crisp-topped macaroni and cheese; miso-glazed cod; Singapore-style mei fun; crispy-fried chicken wings; taquitos; and even crème brûlée! Eclectic, worldly, and easy enough for every day, The Ultimate Ninja Foodi Cookbook offers something for everyone.

The Ninja® Foodi(tm) Complete Cookbook for Beginners is the official companion cookbook and starter guide to make easy, everyday meals with your Ninja® Foodi(tm).
