**** COMPELLING - The Sunday Telegraph CONTROVERSIAL ... Sounes' book pushes the standard Reed narrative - The New York Times Lou Reed, who died in 2013, was best known to the general public as the grumpy New Yorker in black who sang 'Walk on the Wild Side'. To his dedicated admirers, however, he was one of the most innovative and intelligent American songwriters of modern times, a natural outsider who lived a tumultuous and tortured life. In this in-depth, meticulously researched and very entertaining biography, respected biographer Howard Sounes examines the life and work of this fascinating man, from birth to death, including his time as the leader of The Velvet Underground - one of the most important bands in rock'n'roll. Written with a deep knowledge and understanding of the music, Sounes also sheds entirely new light on the artist's creative process, his mental health problems, his bisexuality, his three marriages, and his addictions to drugs and alcohol. In the course of his research, Sounes has interviewed over 140 people from every part of Lou Reed's life - some of whom have not spoken publicly about him before - including music industry figures, band members, fellow celebrities, family members, former wives and lovers. This book brings Lou Reed and his world alive.

Playing an endless make-believe game about pirates, mermaids and warriors under the rule of a formidable Great Queen china doll, best friends Zach, Poppy and Alice find their bond tested when Zach is compelled to give up their shared adventures and Poppy begins having dreams about the doll. By the co-author of the best-selling Spiderwick Chronicles.

I was already surprised when I found out that I had been reincarnated in the world of Fortune Lover, the otome game that I was playing right before dying, but things just got shocking when I realized that I had become Katarina Claes, the main antagonist! I tried my best to avoid all of the game's bad ends, and somehow succeeded...but now, it turns out that there was a Fortune Lover 2! I started working at the Magical Ministry, and, as time went on, I accidentally collected a bunch of Dark Magic items. Help! I'm getting more villainesque by the day! Now my boss also wants me to take Dark Magic lessons... Speaking of bosses, I've been helping one of my superiors, Cyrus, get closer to my friend Maria. He's way too shy to make a move on her though. I'll have to force his hand a little bit... Huh? What's this? Did I run into another event from the game?!
