Allyssa was raised as royalty. Savenek had been trained as a spy. Allyssa grew up doted on by her parents. Savenek's adoptive father had often shown his love through strict training and discipline. Allyssa died too soon, loved and mourned by her kingdom. Savenek is supposed to take her place, but struggles to win the hearts of the people and parents who don't know him. When Savenek finally settles in to life at court, Allyssa shows up alive, in time for their seventeenth birthday celebration. Everything in Savenek's life feels like it's exploding again. While Allyssa has managed to stop the war with Russek and form a powerful alliance, Savenek knows there is a greater danger surrounding them. As Emperion teeters on the brink of war, a much more personal battle plays out between twin siblings. If Allyssa and Savenek want to save their kingdom from being destroyed, they must learn to work together, trust one another, and rely on each other. When duty, loyalty, and family clash, can there be room for two royal heirs? Especially when one is being a royal pain?

Sentenced to be executed. Betrayed. Alone. Hanged on the gallows. Rema thought her life was over, but she was wrong. Saved by a rebel force she'd only ever heard rumors about, Rema finds herself in a forbidden place. She is finally safe—free from the king and Prince Lennek. But not everything is as it seems at the rebel fortress. Secrets are whispered, and loyalties are tested. Once Rema uncovers the truth of her heritage, will she flee? Or will she ascend to the throne, taking on the responsibility of an entire kingdom? Now that Darmik knows Rema's true identity, he's on a quest to save her. But when an Emperion assassin arrives on Greenwood Island, Darmik knows he doesn't have very long to find her. In a deadly game with high stakes, will Darmik remain loyal to his family? Or will he break away and join the rebels? Kingdoms rise and fall. Heroes are born and made. But one thing remains the same—love conquers all.

A lost brother. An unwilling outlaw. A rising enemy. An unusual alliance. Years ago, Rhys MacDuffy was brutally cut off from his clan, stripped of his name and inheritance, and banished to the remote Dragon Keep. Perched high above the Shang Pass in the land of Alsaya, he assumed the mantle of the Mountain Baron, serving out his sentence as the overseer of the worst outlaws and outcasts. But one day he receives a desperate message from the clan who disowned him: MacDuffy's Seer-his beloved brother-has been taken by their enemies. With his band of Mountain Brigands and an unwelcome sidekick, Rhys leaves his mountain stronghold to find and rescue his brother. The tide of war is rising amongst the Clans of Alsaya, fueled by the magic-wielding sect of Druids who seek to unleash a dark force the world has long forgotten. Can the bond of blood run deeper than banishment?

During her abduction and assault, Audrey begins to hear a voice. She hopes she's not going crazy, because after what she's experienced, that's the most logical explanation. However, as she begins to listen to the voice, Audrey realizes that someone may be telepathically trying to

help her. Unfortunately, rescue isn't all she needs. In order to leave behind the constant reminders, she flees to her Aunt Kate's house in San Diego, and assumes a new identity. It works until the eighteen-year-old twin boys who live next door threaten to break through the protective walls she's worked so hard to build. Between Caleb going out of his way to befriend her and Justin avoiding her at all costs, Audrey doesn't know if normalcy will ever find her again. But one thing is certain: When a familiar danger resurfaces, it's the same voice that she turns to a voice that is not only real, but a lot closer than she realizes. Gripping and tastefully told, *The Voice* is a story of healing, trust, and courage.

Conor and Aine have barely escaped Seare with their lives. Conor knows he must return to find the harp that could end the Red Druid's reign of terror, but in the midst of their escape, he and Aine are torn apart once more. Surrounded by despair and thrown into as much danger as they left behind, Conor and Aine must cling to the whispers of Comdiu's plans for them and the homeland that depends on their survival. But at what cost? Will they learn to depend on Comdiu completely? Or will they give up hope?

The complete series contains all five books in the Reign of Secrets Series by Jennifer Anne Davis. Over 1,500 pages of political intrigue, romance, and adventure. Save 50% over buying the individual books! Unlock the secrets within... Sixteen-year-old Allyssa appears to be the ideal princess of Emperion--she's beautiful, elegant, and refined. She spends her days locked in a suffocating cage, otherwise known as the royal court. But at night, Allyssa uses her secret persona--that of a vigilante--to hunt down criminals and help her people firsthand. Unfortunately, her nightly escapades will have to wait because the citizens of Emperion may need saving from something much bigger than common criminals. War is encroaching on their kingdom and in order to protect her people, Allyssa may have to sacrifice her heart. Forced to entertain an alliance through marriage with a handsome prince from a neighboring kingdom, she finds herself feeling even more stifled than before. To make matters worse, the prince has stuck his nosy squire, Jarvik, to watch her every move. Jarvik is infuriating, bossy and unfortunately, the only person she can turn to when she unveils a heinous plot. Together, the unlikely pair will have to work together to stop an enemy that everyone thought was long gone, one with the power to destroy her family and the people of Emperion. Now the cage Allyssa so longed to break free from might just be the one thing she has to fight to keep intact. In order to save her kingdom, she will have to sacrifice her freedom, her heart, and maybe even her life. Praise for *CAGE OF DECEIT: Mundie Moms*: "Jennifer Anne Davis's *CAGE OF DECEIT* has a new home on my coveted all-time favorite bookshelves. Not many books make the cut; this is a book I want more of. I need this book's sequel like now!" Cameo Renae, Bestselling Author of the *Hidden Wings Series* and *After Light Saga*: "I was completely captured by this story. An outstanding and riveting read." Damaris Delgado from *Good Choice Reading*: "I thought Jennifer Anne Davis's *True Reign* series was one to rave about, but *Cage of Deceit* has topped it, and has completely blown me away! I love this book! I cannot wait for the sequel! Davis will forever be on my **MUST-READ** list." Liza Wiemer, author of *Hello?:* "Cage of Deceit is a wonderful blend of fairy tale and fast-paced, thrilling adventure. With a kick-ass heroine princess, this novel will not only get your heart racing, but leave you clamoring for book two." Grace from *Books of Love*: "An amazing fantasy that is a thrilling adventure from start to finish. I totally found myself loving the world that Jennifer Anne Davis has written in *Cage of Deceit*. This was a real gem to read." Melanie Newton from *Nerd Girl Official*: "Twists and turns, danger and drama—this book has it all! Heart-dropping moments that literally had me holding my breath and an ending that demands

book two be available NOW!" Angelle LeBlanc from Cajun Book Lover: "This is an edge of your seat start to a great series and will keep you begging for more once you close the book. I am anxiously awaiting the follow-up. Ms. Davis's writing has turned me into a forever fan!" Jan Farnworth from J.R.'s Book Reviews: "Jennifer Anne Davis knows how to weave a story that pulls at your heartstrings. She makes you want to take the sword and run it through the evil characters. Davis is an outstanding storyteller and on my must read right now list." Leah Alvord from Vitality Reviews: "We have flawed, judgmental characters who feel truly human. There's political intrigue and deceit so thick you can disappear inside of it. And threats that gleam like a blade in the night. Welcome to the Cage of Deceit, where even a princess isn't all she's cracked up to be." Rebecca van Kaam from GotToReadThoseBooks: "In this enchanting spin-off Jennifer Anne Davis brings the world she created in the True Reign series to a whole new level. There's plot turns and twists, action and suspense. And a dash of romance, as expected from Jennifer Anne Davis's previous books."

What happens when a sheepish knight and a not-so-fierce dragon fight for the very first time? Well, it's no ordinary battle since the knight has to go to the castle library to learn about dragon-fighting and the dragon must dig through his ancestor's things to find out how to fight a knight! "Spontaneity of line and feeling are backed by zesty colors and a jovial, tongue-in-cheek tone to which children can relate—a top springtime choice." —Booklist "There's a swirl of good-humored life to the book." —The New York Times Book Review
