Since its publication in 1982, Old Testament Survey has served as the standard textbook on the background, content, literary quality, and message of the Old Testament. The second edition of this excellent work has been thoroughly revised and updated to take into account new research in the field of Old Testament studies. The book now also includes important new contributions from six leading biblical studies scholars: Leslie C. Allen, James R. Battenfield, John E. Hartley, Robert L. Hubbard Jr., John E. McKenna, and William B. Nelson Jr. Reflecting the best of evangelical scholarship, Old Testament Survey provides a comprehensive study of the nature and contents of each of the thirty-nine books of the Old Testament and also considers the historical data and theological themes relevant to the Hebrew Scriptures. Part 1 covers the five books of the Pentateuch. Part 2 studies the books of the Prophets, with special consideration given to the birth and history of Israel's monarchy, the role of prophets and prophecy, and the nature of Hebrew poetry. Part 3 examines the Writings, including a special study of wisdom literature in general. Part 4, which has been relocated from the front of the book to the back, contains studies of various background themes necessary for understanding the Old Testament: "The Authority of the Old Testament for Christians," "Revelation and Inspiration," "The Concept of Canon," "Formation of the Old Testament," "Geography," "The Chronological Puzzle," "Archaeology," and "Messianic Prophecy." All of the revisions and enhancements undertaken in this volume will make Old Testament Survey even more serviceable for college and seminary use as well as for study by scholars, pastors, and interested lay readers.

Presents the characters, plot, theme, symbols, prose, and poetry of each Old Testament book, following the Hebrew canonical order.

This workbook accompanies A Survey of the Old Testament by Andrew E. Hill and John H. Walton. It follows the textbook's structure and offers readings, activities, and exercises designed to support the students' learning experience as they explore the literary, historical, and theological issues behind each book of the Old Testament. A Survey of the Old Testament Workbook offers students an additional contact point with the content and concepts from the main textbook and will help them better understand the Old Testament, its background, purpose, message, structure, and major themes. This workbook is an indispensable study resource for students and independent learners alike who want to deepen their understanding of the Old Testament and the God it reveals.

## Read Book Old Testament Survey The Message Form And Background Of William Sanford Lasor

Christians sometimes approach the Old Testament with a mixture of awe and bewilderment, knowing that it contains pearls of wisdom, but unsure how to dive for them ... especially when it comes to the Prophets. In *The Message of the Prophets*, author J. Daniel Hays offers a scholarly, yet readable and student-friendly survey of the Old Testament prophetic literature that presents the message of each prophet in its historical and its biblical context and then tracks that message through the New Testament to challenge readers with what it means for them today. Hays focuses on synthesizing the message of the prophets, which enables students to grasp the major contours of the prophetic books clearly and concisely. Hundreds of colorful pictures help to illustrate the historical and cultural background of the prophets. After identifying what the message meant for ancient Israel, Hays helps the readers to move toward theological application today, helping readers to gain a better understanding of God and the relationship between God and his people. *The Message of the Prophets* is essential for professors, students, and others seeking to understand the role that the OT prophets play in the Christian faith.

In *The Message of the Prophets*, author J. Daniel Hays offers a scholarly, yet readable and student-friendly introductory survey of the Old Testament prophetic literature that presents the message of each prophet in both its historical and its biblical context, tracking that message through the NT to discuss what it means for believers today.

30 Minutes a Day for 20 Days Could Change Your Life Forever This revolutionary new Bible Study Course allows you to explore the ENTIRE BIBLE - from cover to cover - in 20 days!!!
