The old wives' tale that you shouldn't cross your eyes or else they'll get stuck that way. Crossing your eyes requires the same type of muscle flexion that showing off your biceps does. And seeing as your arm doesn't get stuck in a bicep flex every time you show off your guns, it's safe to say that your eyes won't get stuck every time you cross them, either.

~~25 Crazy Old Wives' Tales People Still Believe | Best Life~~

Old wives' tales are superstitions or traditional beliefs that are generally considered unscientific or incorrect. Before modern scientific methods existed that could account for certain phenomena or behaviors, people came up with ways to explain or protect against various events in their lives. Many but not all old wives' tales center on traditional interests of women, such as medicine, pregnancy and nutrition.
