Nevil Shute. On The Beach. Nevil Shute's "On The Beach" is a classic for good reason. Shute takes the most horrific event one can imagine-a worldwide nuclear event-and then turns the microscope on it, focusing in on just a few ordinary people who must wait for death as it drifts over to their hemisphere. We see military personnel, housewives, businessmen, and more.

Before there was "The Stand" or "Swan Song" or pretty much any other apocalyptic drama, there was "On the Beach" by Nevil Shute. Set near Melbourne, Australia in the 1950s, the novel follows the life to two couples as they come to grips with the world post-nuclear war and the on-rushing radioactive fallout, which spells the end for all living creatures on earth.
